(2) Should any Intellectual Property licensed by the Contractor to CDPH under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve CDPH's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to CDPH. CDPH shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for CDPH to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, CDPH shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3) Contractor agrees that damages alone would be inadequate to compensate CDPH for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges CDPH would suffer irreparable harm in the event of such breach and agrees CDPH shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. **Federal Funding**

In any agreement funded in whole or in part by the federal government, CDPH may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. **Survival**

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

11. **Air or Water Pollution Requirements**

Any federally funded agreement and/or subcontract in excess of $100,000 must comply with the following provisions unless said agreement is exempt under 40 CFR 15.5.

a. Government contractors agree to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 U.S.C. 1857(h)], section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).

b. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

12. **Prior Approval of Training Seminars, Workshops or Conferences**

Contractor shall obtain prior CDPH approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

13. **Confidentiality of Information**

a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.

c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the CDPH Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.

d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than CDPH without prior written authorization from the CDPH Program Contract Manager, except if disclosure is required by State or Federal law.

e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

f. As deemed applicable by CDPH, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

14. Documents, Publications and Written Reports

(Applicable to agreements over $5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds $5,000.

15. Dispute Resolution Process

a. A Contractor grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Contractor and CDPH, the Contractor must seek resolution using the procedure outlined below.

(1) The Contractor should first informally discuss the problem with the CDPH Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.

(2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Division 2, Chapter 2, Article 3 (commencing with Section 1140) of the California Code of Regulations).

c. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the Agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.

d. Unless otherwise stipulated in writing by CDPH, all dispute, grievance and/or appeal correspondence shall be directed to the CDPH Program Contract Manager.

e. There are organizational differences within CDPH's funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the CDPH Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

16. Financial and Compliance Audit Requirements

a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.

b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code section 38030).

c. The Contractor, as indicated below, agrees to obtain one of the following audits:

(1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives **$25,000 or more** from any State agency under a direct service contract or agreement; the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**

(2) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives **less than $25,000** per year from any State agency under a direct service contract or agreement, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**

(3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends $500,000 or more in Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

(a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

(b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.

(4) If the Contractor submits to CDPH a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended $500,000 or more in federal funds for the year covered by the audit report.

d. Two copies of the audit report shall be delivered to the CDPH program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the CDPH Program Contract Manager shall forward the audit report to CDPH's Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.

e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The CDPH program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.

f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.

g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.

h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.

i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.

j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.

k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

18. **Novation Requirements**

If the Contractor proposes any novation agreement, CDPH shall act upon the proposal within 60 days after receipt of the written proposal. CDPH may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, CDPH will initiate an amendment to this Agreement to formally implement the approved proposal.

19. **Debarment and Suspension Certification**

(Applicable to all agreements funded in part or whole with federal funds.)

a. By signing this Agreement, the Contractor/Grantee agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 7 CFR Part 3017, 45 CFR 76, 40 CFR 32 or 34 CFR 85.

b. By signing this Agreement, the Contractor certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;

(2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and

(4) Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.

(5) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.

(6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the CDPH Program Contract Manager.

d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.

e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the CDPH may terminate this Agreement for cause or default.

20. **Smoke-Free Workplace Certification**

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.

c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.

d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, CDPH shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, CDPH may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or $3,000 whichever is greater, until CDPH receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

CDPH may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with CDPH. Negative performance evaluations may be considered by CDPH prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to CDPH or if IT equipment is procured.)

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.

b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.

d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. **Contract Uniformity (Fringe Benefit Allowability)**

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, CDPH sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.

b. As used herein, fringe benefits do not include:

(1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
(2) Director's and executive committee member's fees.
(3) Incentive awards and/or bonus incentive pay.
(4) Allowances for off-site pay.
(5) Location allowances.
(6) Hardship pay.
(7) Cost-of-living differentials

c. Specific allowable fringe benefits include:

(1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

d. To be an allowable fringe benefit, the cost must meet the following criteria:

(1) Be necessary and reasonable for the performance of the Agreement.
(2) Be determined in accordance with generally accepted accounting principles.
(3) Be consistent with policies that apply uniformly to all activities of the Contractor.

e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

(1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.

(2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.

(3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**
If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**
If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to CDPH, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. **Lobbying Restrictions and Disclosure Certification**

(Applicable to federally funded agreements in excess of $100,000 per Section 1352 of the 31, U.S.C.)

a. Certification and Disclosure Requirements

(2) Each recipient shall file a disclosure (in the form set forth in Attachment 2, entitled "Standard Form-LLL 'disclosure of Lobbying Activities'") if such recipient has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered federal action) in connection with a contract, or grant or any extension or amendment of that contract, or grant, which would be prohibited under Paragraph b of this provision if paid for with appropriated funds.

(3) Each recipient shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affect the accuracy of the information contained in any disclosure form previously filed by such person under Paragraph a(2) herein. An event that materially affects the accuracy of the information reported includes:

(a) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered federal action;

(b) A change in the person(s) or individuals(s) influencing or attempting to influence a covered federal action; or

(c) A change in the officer(s), employee(s), or member(s) contacted for the purpose of influencing or attempting to influence a covered federal action.

(4) Each person (or recipient) who requests or receives from a person referred to in Paragraph a(1) of this provision a contract or agreement, subcontract, grant or subgrant exceeding $100,000 at any tier under a contract or agreement, or grant shall file a certification, and a disclosure form, if required, to the next tier above.

(5) All disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the person referred to in Paragraph a(1) of this provision. That person shall forward all disclosure forms to CDPH Program Contract Manager.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 1 (exhibit D(F)) (2703 : 16-125 City of Riverside_SNAP-Ed)

b. Prohibition

Section 1352 of Title 31, U.S.C., provides in part that no appropriated funds may be expended by the recipient of a federal contract or agreement, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered federal actions: the awarding of any federal contract or agreement, the making of any federal grant, the making of any federal loan, entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract or agreement, grant, loan, or cooperative agreement.

32. **Additional Restrictions**

(Applicable to all contracts funded in whole or in part with funding from the federal Departments of Labor, Health and Human Services (including CDC funding), or Education.)

Contractor shall comply with the restrictions under Division F, Title V, Section 503 of the Consolidated Appropriations Act, 2012 (H.R. 2055), which provides that:

Title: **Information Systems Security Requirements for Projects**	

IMPORTANT NOTE: If an exemption from any SR1 requirement is required, the SR1 Exemption Form in Appendix A must be completed by the Project Manager or Contract Manager.

I. Purpose

This document provides the minimum security requirements mandated by the California Department of Public Health (CDPH) Information Security Office (ISO) for projects governed and/or subject to the policies and standards of CDPH. Projects that intend to deploy systems/applications into the CDPH system infrastructure, or will utilize CDPH information system services, are also subject to these minimum security requirements.

This document is intended to assist CDPH and its service customers in understanding the criteria CDPH will use when evaluating and certifying the system design, security features and protocols used by project solutions utilizing CDPH services. These security requirements will also be used in conjunction with the CDPH ISO compliance review program of its information system services customers.

This document will serve as a universal set of requirements which must be met regardless of physical hosting location or entities providing operations and maintenance responsibility. These requirements do not serve any specific project, nor do they prescribe any specific implementation technology.

II. Scope of Requirements

The information security requirements in this document are organized in five categories (sections) and address at a minimum:

- Administrative/Management Safeguards
- Technical and Operational Safeguards
- Solution Architecture
- Documentation of Solution
- ISO Notifications and Approvals

IV. Information Systems Security Requirements

A. Administrative / Management Safeguards

1. Workforce Confidentiality Statement

All persons working with CDPH information must sign a Security and Confidentiality Acknowledgement Statement. The Statement must include, at a minimum: General Use, Security and Privacy safeguards, Unacceptable Use, Audit and Enforcement policies. (Contact the CDPH ISO for the current version of the Security & Confidentiality Acknowledgement Statement in use.)

The Statement must be signed by the Project member prior to being granted access to the CDPH information. The Statement must be renewed annually.

2. Access Authorization & Maintenance

Project/Program must document and implement clearly defined rules and processes for vetting and granting authorizations, as well as procedures for the supervision of workforce members who work with CDPH information or in locations where it might be accessed.

On at least a semi-annual basis, Project/Program will review and remove all authorizations for individuals who have left the department, transferred to another unit, or assumed new job duties within CDPH.

3. Information System Activity Review

Project/Program must implement and document procedures to regularly review records of information system activity (such as audit logs, access reports, and security incident tracking reports).

Project/Program must ensure any hosting or maintenance agreements clearly identify responsibility for this activity. Logs may be stored within the system or preferably on a centralized logging server or service, and must be maintained for a minimum of three years.

4. Periodic System Security & Log Review

All systems must allow for periodic system security reviews that provide assurance that management, operations, personnel, and technical controls are functioning effectively and providing adequate levels of protection.

These reviews may include technical tools and security procedures (such as vulnerability assessment products and penetration testing).

All systems processing and/or storing CDPH information must have a method or procedure in place to create and review system logs for unauthorized access. Logs may be stored within the system or on a centralized logging server or service, and must be maintained for a minimum of three years.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

5. Disaster Recovery Plan

Project/Program will establish procedures that allow facility access in support of restoration of lost information under the Disaster Recovery Plan (DRP) and emergency mode operations plan in the event of an emergency.

The restoration/recovery support procedures must be added to the existing DRP to restore any loss of information and assure continuity of computing operations for support of both the application and information.

Recovery procedures must be developed using the most current DRP template provided by the CDPH ISO.

All systems, as part of a new or existing project, must allow for periodic system recovery testing. The period between tests should be defined as part of the project and be consistent with relevant CDPH disaster recovery standards. Such testing should provide assurances that plans and controls (management, operations, personnel, and technical) are functioning effectively and providing adequate levels of protection during an incident, disaster, or breach.

Project/Program will conduct an annual Business Impact Analysis of the application to determine the Maximum Acceptable Outage (MAO), cost of lost functionality, system component dependencies, business function dependencies, and business partner dependencies.

6. Change Control

All systems processing and/or storing CDPH information must have a documented change control procedure that ensures separation of duties and protects the confidentiality, integrity, and availability of information.

Systems running within the CDPH environment and/or utilizing CDPH services must comply with CDPH standards for change control process and procedures.

7. Supervision of Information

Classified information in paper form must not be left unattended at any time, unless it is locked in a file cabinet, file room, desk, or office. Unattended means that information is not being observed by an employee authorized to access the information. Classified information in paper form must also not be left unattended at any time in vehicles or planes, and must not be transported in checked-in baggage on commercial airplanes.

8. Escorting Visitors

Visitors to areas where classified information is contained must be escorted and classified information must be kept out of sight while visitors are in the area.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

B. Technical and Operational Safeguards

1. System Security Compliance

All Project systems must comply with applicable CDPH security policies and requirements, as specified in the State Administrative Manual (SAM), Public Health Administrative Manual (PHAM), Privacy Act, and any other applicable State or Federal regulation. All security safeguards and precautions must be subject to the approval of the CDPH ISO.

2. Malware Protection

All systems must install and actively use anti-virus software, with a minimum daily automatic update scheduled. Systems such as mainframes, where anti-virus is unavailable, are excluded from this requirement. All security safeguards and precautions must be subject to the approval of the CDPH ISO.

3. Patch Management

All systems must install and actively use a comprehensive third-party patch management program, and routinely update system and application software within two weeks of vendor release unless the CDPH ISO validates a patch is not applicable. Critical updates may require a more restrictive timeline. All security safeguards and precautions must be subject to the approval of the CDPH ISO.

4. Encrypted Electronic Transmissions

All information electronic transmissions that contain classified information (such as website access, file transfers or through e-mail) must be encrypted end-to-end using an industry-recognized encryption standard (such as Transport Layer Security (TLS) or its predecessor, Secure Socket Layer (SSL), Secure File Transfer Protocol (SFTP), or any FIPS 140-2 certified encryption algorithm). Classified information must be encrypted at the minimum of Advanced Encryption Standard (AES) with a 128 bit key or higher. Equivalent or stronger algorithms may be used upon approval of the CDPH ISO.

5. Encrypted Information Storage

All classified information must be encrypted when electronically stored using a CDPH approved encryption standard. Classified information must be encrypted at the minimum of AES with a 128 bit key or higher, or any FIPS 140-2 certified encryption algorithm. Equivalent or stronger algorithms may be used upon approval of the CDPH ISO.

6. Workstation / Laptop Encryption

All workstations and laptops that process and/or store classified CDPH information must be encrypted with a CDPH ISO approved solution. Classified CDPH information must be encrypted at the minimum of AES with a 128 bit key or higher, or any FIPS 140-2 certified encryption algorithm. Equivalent or stronger algorithms may be used upon approval of the CDPH ISO.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

7. Removable Media Encryption

All electronic files that contain classified CDPH information must be encrypted at the minimum of AES with a 128 bit key or higher, or any FIPS 140-2 certified encryption algorithm when stored on any removable media type device (such as USB thumb drives, floppies, CD/DVD, tape backup, etc.). Equivalent or stronger algorithms may be used upon approval of the CDPH ISO. The solution should follow best practices described in National Institute of Standards & Technology (NIST) 800-111, Guide to Storage Encryption Technologies for End User Devices.

8. Secure Connectivity

All transmission and data-links between the information and application/system, and DBMS and the Office of Technology Services (OTech) Wide Area Network (WAN), must be secure between transmission systems as required by regulation, policy and/or standard and as prescribed for the given application/system.

9. Intrusion Detection and Prevention

All systems that are accessible via the Internet, are critical, and/or contain classified information must install and actively use a CDPH ISO approved comprehensive third-party real-time intrusion detection and prevention solution. The solution must also report security events directly to a CDPH enterprise monitoring solution. All security safeguards and precautions must be subject to the approval of the CDPH ISO.

10. Minimum Information Download

In accordance with the principle of need-to-know, only the minimum amount of information required to perform necessary business functions should be copied or downloaded.

11. Information Sanitization

All classified CDPH information (electronic or paper) must be sanitized from systems when the information is no longer necessary. The sanitization method must conform to NIST Special Publication 800-88 Guidelines for Media Sanitization. Once information has been sanitized, the CDPH contract manager must be notified. If an agency or other entity is unable to sanitize the media in accordance with NIST 800-88 and provide notification, the media must be returned to CDPH after usage for sanitization in an approved manner.

12. Removal of Information

Classified CDPH information (electronic or paper) must not be removed from CDPH premises, or from the premises of an authorized vendor or contractor, without the written permission of the CDPH ISO.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

13. Faxing or Mailing of Information

Facsimile transmissions containing classified CDPH information must not be left unattended if fax machines are not in a secure area. Facsimile transmissions must include a cover sheet that contains a security statement notifying persons receiving faxes in error to destroy them and notify the CDPH ISO immediately. Fax numbers must be verified before sending.

Classified CDPH information must only be mailed using secure methods. Large volume mailings of classified CDPH information must be by a secure, bonded courier with signature required upon receipt. Disks and other transportable media sent through the mail must be encrypted with a CDPH ISO approved solution.

C. Solution Architecture

1. System Security Compliance

The system must comply with all applicable CDPH security policies and requirements, as well as those specified in the State Administrative Manual (SAM), Public Health Administrative Manual (PHAM) Privacy Act, and any other applicable State or Federal regulation. All security safeguards and precautions must be subject to the approval of the CDPH ISO.

The system may share data with other entities only after all applicable agreements are in place. For example, using a CDPH data release form, Business Associate Agreement, or Data Use Agreement. These agreements must ensure data is protected according to all applicable standards and policies.

Any data which is exported outside the scope of the system and its security provisions (such as exports for statistical analysis) require approval by the CDPH ISO to ensure sufficient security is in place to protect the exported data.

2. Warning Banner

All systems containing CDPH information must display a login warning banner stating that information is classified, activity is logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree and comply with these requirements.

The following warning banner must be used for all access points (such as desktops, laptops, web applications, mainframe applications, servers and network devices):

> ***WARNING: This is a State of California computer system that is for official use by authorized users and is subject to being monitored and/or restricted at any time. Unauthorized or improper use of this system may result in administrative disciplinary action and/or civil and criminal penalties. By continuing to use this system you indicate your awareness of and consent to these terms and conditions of use.***
>
> ***LOG OFF IMMEDIATELY, if you do not agree to the conditions stated in this warning.***

3. Layered Application Design

Applications must be able to be segmented into a layered application design separating, at a minimum, the Presentation, Application/Business Logic, and Data Access Logic, and Data Persistence/Database layers.

The Presentation, Application/Business Logic, and Data Access Logic layers must be separated physically by a firewall regardless of physical implementation.

Any system request made to the Business logic layer must be authenticated.

The Data Access Logic Layer may take the form of stored procedures, database Application Programming Interface (API), Data Access Objects/Components, Data Access Middleware, Shared Data Services, or Secure Web Service. Any system request made to the Data Access

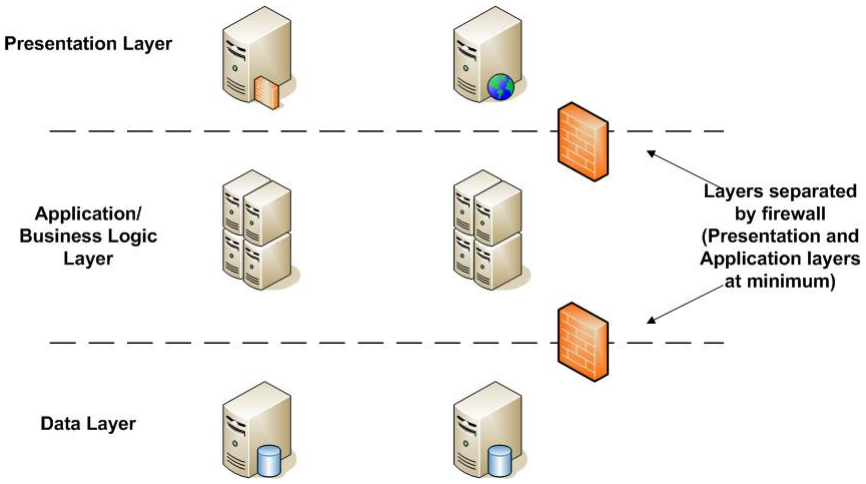
Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

logic layer must be authenticated and authorized. No direct access to the Data Persistence/Database layer will be permitted, except through the Data Access logic layer.

All calls to the Data Persistence/Database layer will be made through the Data Access logic layer as a trusted sub-system that utilizes a single database access account to all transactions.

The Data Access Logic Layer must take the form of stored procedures, database API, Data Access Objects/Components, Data Access Middleware, Shared Data Services, or Secure Web Service. System requests made to the Business logic and Data Access logic layers must be authenticated and authorized.

Vendor-provided commercial off-the-shelf (COTS) packages, or components where physical separation of layers is not possible, requires CDPH ISO approval.



4. Input Validation

All user input must be validated before being committed to the database or other application information repository. The system must manage client input controls from server side to the extent possible. Data queries from the Presentation or the Business Logic layers must be validated for appropriate use of query language, and validated for appropriate quantity and quality of data input. This includes In-line Structured Query Language (SQL) calls. The system must validate client input on the server side to the extent possible. All third-party client side input controls must be documented and approved by the CDPH ISO.

5. Data Queries

All Data queries (including In-line SQL calls) will not be allowed from the Presentation or the Business Logic layers unless validated for appropriate use of query language and validated for appropriate quantity/quality of data input. All data queries solution must be approved by the CDPH ISO.

Database table names and column names must not be exposed. Applications must use an alias for every table and column.

Dynamic SQL will not be permitted from the Presentation Layer without prior approval from the CDPH ISO.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

6. Username/Password Based Authentication

When usernames and passwords are going to be used as the method for system authentication, the following requirements must be met:

- Username requirements:
  - Must be unique and traceable to an individual.
  - Must not be shared.
  - Must not be hard-coded into system logic.
- Password requirements:
  - Must not be shared.
  - Must be 8 characters or more in length.
  - Must not be a word found in the dictionary, regardless of language.
  - Must be encrypted using irreversible industry-accepted strong encryption.
  - Must be changed at least every 60 days.
  - Must not be the same as any of the previous 10 passwords.
  - Must be changed immediately if revealed or compromised.
  - Must be composed of characters from at least three of the following four groups from the standard keyboard:
    - Upper case letters (A-Z);
    - Lower case letters (a-z);
    - Numbers (0 through 9); and
    - Non-alphanumeric characters (punctuation symbols).
- Account security:
  - Accounts must be locked after three (3) failed logon attempts.
  - Account lock-out reset timers must be set for a minimum of 15 minutes.
  - Accounts must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password.

7. Administrative / Privileged Accounts Management

A privileged account is an account that allows an individual to perform maintenance on an operating system or applications (e.g. create/remove users, install applications, create/modify databases, etc.). Privileged accounts require the approval of the individual's manager, the CDPH ISO, and must include a business justification stating why privileged access is required and what it will be used for. Individuals granted privileged accounts must have already signed the Security and Confidentiality Acknowledgement Statement. (Contact the CDPH ISO for the current version of the Security & Confidentiality Acknowledgement Statement in use.)

The use of shared privileged accounts (e.g. Administrator) is strictly prohibited.

System administration must be performed using a different username rather than the one used for daily non-administrative activities. Administrative accounts must be used only for administrative activity within the authorized role of that account and the individual using it. It must be logged out of immediately after administrative work is complete.

- Username requirements:
  - Must be unique and traceable to an individual.
  - Must not be shared.
  - Must not be hard-coded into system logic.
  - Must be the same across different zones (e.g. Web Zone, Internal network, and Test Labs / Environments).
  - The default built-in Administrator account must be renamed and disabled.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

- The naming convention for privileged accounts must not make it obvious that usernames belong to privileged accounts.
- If a generic privileged account is created:
  - Must only be used in an Emergency.
  - Must not be used for routine maintenance.
  - The password storage and management process for generic privileged accounts must be approved by the CDPH ISO.

- Password requirements:
  - Must not to be shared.
  - Must be 12 characters or more in length.
  - Must not be a word found in the dictionary, regardless of language.
  - Must be encrypted using irreversible industry-accepted strong encryption.
  - Must be changed at least every 60 days.
  - Must not be the same as any of the previous 10 passwords.
  - Must be changed immediately if revealed, or compromised.
  - Must be comprised of characters from at least three of the following four groups from the standard keyboard:
    - Upper case letters (A-Z);
    - Lower case letters (a-z);
    - Numbers (0 through 9);
    - Non-alphanumeric characters (punctuation symbols).
  - Must be changed immediately upon the termination or transfer of an employee with knowledge of the password.
  - Must not be the same across different zones (e.g. Web Zone, Internal network, and Test Labs / Environments).
- Account security:
  - Accounts must be locked after three (3) failed logon attempts.
  - Account lock-out timers must be set for at least 60 minutes.

8. Service Accounts Management

A service account is an account used to run a service and whose password is known by multiple individuals, When and where it is necessary to use a service account, the account request will be approved by the manager of the Project/Program requesting the account and by the CDPH ISO. Requirements, stating the need for a service account, will be documented in the request. A service account password is shared among the individuals authorized to access the account, and is subject to controls as stated in the password requirements in this document.

Restrictions for Service Accounts

- Sharing passwords via email is prohibited, unless the body of the email itself is encrypted using strong encryption.
- When users are no longer authorized to access an existing service account, the service account password must be changed.

9. Authentication and Authorization

Any system deployed during a project, or as a result of a project, must provide secure role-based access for authorization (separation between system/server administrators and application/database administrators) utilizing the principle of least privilege at all layers/tiers.

In all cases, applications must default to explicitly deny access where authentication and/or authorization mechanisms are required. No application that requires a login can offer to, or be capable of, remembering a user's credentials.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

10. Authentication Logging

The system must log success and failures of user authentication at all layers as well as log all user transactions at the database layer as required by regulation, policy or standard, and as prescribed for the given application/system. This logging must be included for all user privilege levels including, but not limited to, systems administrators. This requirement applies to systems that process, store, and/or interface with CDPH information.

11. Automatic System Session Expiration

The system must provide an automatic timeout, requiring re-authentication of the user session after 20 minutes of inactivity.

12. Automatic System Lock-out and Reporting

The system must provide an automatic lock-out of users and a means to audit a minimum of three (3) failed log-in attempts. The means of providing audit information must be approved by the CDPH ISO.

13. Audit (Access)

All systems/applications will implement role-based access to auditing functions and audit trail information utilizing the principle of least privilege.

All systems/applications will implement a secure online interface to Audit Capabilities and Reporting by way of API or network service (or Web Service) to allow CDPH ISO to view logs, auditing procedures, and audit reporting.

14. Audit (Minimum Information)

The minimum log information below is required for any system that contains, or is involved in the transmission of, classified information. The log information should be available on every system running a production environment. This information must be provided upon request of the CDPH ISO for investigations and risk assessments.

The system must record, at minimum, the following events and any other events deemed appropriate by the CDPH ISO:

Transaction Types

- Any and all administrative changes to the system (such as administrative password changes, forgotten password resets, system variables, network configuration changes, disk sub-system modifications, etc).
- Logon failures.
- Logons during non-business hours.
- Failed access to an application or data.
- Addition, deletion, or modification of users or program access privileges.
- Changes in file access restrictions.
- Database addition, deletion, or modification.
- Copy of files before and after read/write changes.
- Transaction issued.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

Individual audit trail records must contain the information needed to associate each query transaction to its initiator and relevant business purpose. Individual audit trail records should capture, at a minimum, the following:

Minimum Audit Trail Record Content

- Date and time stamp.
- Unique username of transaction initiator.
- Transaction recorded.
- Success or failure of transaction recorded.
- Relevant business process or application component involved.
- Data captured (if any).

Audit Trail logs must be maintained at minimum for three (3) years after the occurrence, or a set period of time determined by the CDPH ISO that would not hinder a detailed forensic investigation of the occurrence. The CDPH ISO has final approval authority.

15. Application Security Controls

For any application which accesses classified information, the following technical controls must be present, unless an exception is granted by the CDPH ISO:

- Must use *least privileged accounts* to execute code and to access databases.
- User access rights must be authenticated and authorized on entry to each application tier.
- All user input must be validated, including parameters passed to all public web service methods.
- Information that is not required must not be exposed.
- If a web application fails, it must not leave sensitive data unprotected or expose any details in error messages presented to the user. Any exceptions must be logged or emailed to the appropriate team member.
- Any sensitive data stored in session, cookies, disk files, etc., must be encrypted. Any sensitive data passed between tiers must be encrypted or must use SSL.
- Applications must be protected from the Internet by a front-end web application, firewall, gateway, and proxy of a type approved by the CDPH ISO, which must be included in the documented system design.
- Postback Universal Resource Locators (URLs) must not contain unencrypted record identifiers or database keys.
- Postback URLs must not include query strings.

16. Application Code Security

Application developers should use tools and methods during development to ensure all custom source code is free from security vulnerabilities. At a minimum, the application must be free of the vulnerabilities described in the CWE/SANS Top 25 Most Dangerous Programmer Errors (http://www.sans.org/top25errors/).

CDPH has the right to conduct a vulnerability scan against the application prior to its activation, and may disapprove use of the application until the vulnerabilities are remediated and the application re-tested. Any verified vulnerabilities from this list must be corrected by the organization which developed the application, at no additional cost to CDPH. Unless an exception is granted by the CDPH ISO, vulnerabilities identified within third-party components must be remediated by the third-party vendor at no additional cost to CDPH. Otherwise, a different third-party component must be selected and implemented.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

17. Strong Authentication

Any information system providing access to Personally Identifiable Information (PII) and/or classified information from the Internet must assess the need for additional strong authentication, to prevent a significant data breach if a password is compromised. Strong authentication is defined as additional mandatory authentication over and beyond the password, for each account which has direct access to PII and/or classified information, or which has administrative privileges. The following factors should be included in the assessment:

- Applicable policies and regulations.
- Sensitivity of the PII or classified information.
- Number of data records.
- Number of user accounts with access to data.
- Level of control over end users.
- Level and frequency of log monitoring.
- Automated alerts and controls for unusual data access patterns.
- End user training on security practices.
- Other mitigating security controls.

The Project/Program providing access to PII and/or classified information from the Internet must either implement an approved strong authentication method, or document why strong authentication will not be utilized. This documentation must be provided to the CDPH ISO for review and approval.

The following methods are approved for strong authentication:

- **Physical Token:** A physical device in the possession of the account holder, which must be physically connected to the computer. Examples include a USB token or Smartcard.
- **One Time Password (OTP):** A temporary one time pass code is provided to the account holder, either by a physical device in their possession, or by way of a pre-defined communication channel such as cell phone or e-mail address. Examples include OTP token, or OTP sent via SMS text message, e-mail, or by automated voice call.
- **X.509 Certificate:** A digital certificate which has been installed on the access point computer or device, utilizing a Public Key Infrastructure (PKI).
- **Firewall Rules:** Firewall TCP/IP rules which ensure the account is only usable from an authorized access point, based upon specific IP address or IP subnet.

The following strong authentication method is approved for personal data access, where accounts have access to only the account holder's personal data, or a single data record they are custodian over such as a family member or information about their company. For example, an application where a client can submit or edit an enrollment form for themselves or someone else, but cannot access any other data records.

- **Personal Challenge Questions:** During registration, the account holder pre-answers one or more questions known only to them. When logging into a different computer, typically tracked with a cookie, they cannot login without correctly answering the pre-configured questions. The user should be prompted for whether the new computer is trusted vs. a one-time login, and this information used to determine whether to save a new cookie.

The proposed strong authentication mechanism must be included in the detailed design documentation as described in Section E.5, Application Security Approvals.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

D. Documentation of Solution

1. System Configuration

Project/Program must document and maintain documentation for the system/application. This should include the following:

- Detailed design.
- Description of hardware, software, and network components.
- Special system configurations.
- External interfaces.
- All layers of security controls.

2. Information Classification

Project/Program will document and maintain an information classification matrix of all information elements accessed and/or processed by solution.

The matrix should identify at a minimum:

- Information element.
- Information classification/sensitivity.
- Relevant function/process, or where is it used.
- System and database, or where is it stored.

3. System Roles and Relationships

Project must document the following roles and ensure everyone understands their role, and complies with all applicable policies and regulations.

- The designated owner of the system.
- The designated custodian(s) of the system.
- The users of the system.
- The security administrator for the system.
- Outside entities sending or receiving data to system.

Project must document the organizational structure and relationships between these roles.

4. Audit Method Documentation

Project/Program will document the solution's auditing features and provide samples of audit reporting.

5. Retention of Documentation

The system/application administrators will retain documentation, including audit and activity logs, for a minimum of three (3) years (up to seven (7) years maximum) from the date of its creation or the date it was last in effect, whichever is later. Shorter retention periods must be allowed contingent upon applicable regulations, policies, and standards, and upon approval by the CDPH ISO. In certain circumstances the retention period must be lengthened to comply with regulatory requirements.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

E. ISO Notifications and Approvals

1. Security Compliance Notification

As part of each project, assigned staff will document how the proposed solution meets or addresses the requirements specified in this document. This documentation must be submitted to the CDPH ISO prior to taking custody of CDPH information.

2. Notification of Changes to Solution

Once a project is approved as final by the CDPH ISO, no changes will be made to the project scope, documentation, systems or components without a change approval by the CDPH ISO.

3. Notification of Breach

The system/application administrators must immediately, and in writing, report to the CDPH ISO any and all breaches or compromises of system and/or information security. They must also take such remedial steps as may be necessary to restore security and repair damage, if any.

In the event of a breach or compromise of system and/or information security, the CDPH ISO may require a system/application security audit. The CDPH ISO must review the recommendations from the security audit, and make final decisions on the steps necessary to restore security and repair damage.

The system/application administrators must properly implement any and all recommendations of the security audit, as approved by the CDPH ISO.

4. Project Security Approvals

Projects must ensure checkpoints throughout the System Development Life Cycle (SDLC) which verify security requirements are being met. This must be incorporated in the project plan along with identification of necessary resources, timelines, and costs to address these requirements. The CDPH ISO should be involved throughout the SDLC to ensure this occurs.

For reportable Feasibility Study Reports (FSRs), the California Office of Information Security (OIS) requires submission of the *Questionnaire for Information Security and Privacy Components in Feasibility Study Reports and Project-Related Documents*.
See
http://www.cio.ca.gov/OIS/Government/documents/docs/Info_Sec_and_Priv_Components_FSR-Questionnaire.doc.

The response to this document must be approved by the CDPH ISO prior to submission.

Projects must ensure all applicable security requirements and deliverables are included in the project plan, and that ISO approvals are obtained, where required. This includes those listed in the following section, and any covered by other sections of this document. The CDPH ISO must be given reasonable time to review and comment on these deliverables.

Attachment: 16-125 City of Riverside_SNAP-Ed_Attachment 3 (ISS req for proj) (2703 : 16-125 City of Riverside_SNAP-Ed)

5. Application Security Approvals

At a minimum, for any application which accesses classified information, the following documented CDPH ISO approvals must be obtained at the appropriate project phases, and before the application is moved to production.

- CDPH ISO approval of a dated, detailed design document. This design must include network layout including specific firewall port requirements, server hosting locations, operating systems, databases, data exchange interfaces, and points of authentication/authorization. The project must not move beyond the design phase until there is a CDPH ISO approved design.
- CDPH ISO approval of any non-standard development tools (such as programming languages or toolkits).
- CDPH ISO approval of a plan for an independent security code review which addresses at minimum the current Open Web Application Security Project (OWASP) top ten application vulnerabilities, and CWE/SANS Top 25 Most Dangerous Programmer Errors, where applicable. CDPH ISO must approve any findings of that code review not being corrected. CDPH ISO recommends the security code review be carried out during the development process rather than only at the end.
- CDPH ISO approval of a plan for security code reviews of future maintenance code changes, which addresses at minimum the current OWASP top ten application vulnerabilities, CWE/SANS Top 25 Most Dangerous Programmer Errors, where applicable.
- CDPH ISO approval of a plan for an independent automated security vulnerability assessment of the application, and approval of the findings of that assessment. The assessment must assess at minimum the OWASP top ten risks and CWE/SANS Top 25 Most Dangerous Programmer Errors, where applicable.

Independent as indicated above is defined as organizationally separate from those developing or configuration the application. The independence and skill level of the entities being utilized must be approved by the CDPH ISO.

Application code and infrastructure is subject to a CDPH ISO audit, and must match the approved detailed design.

C.E.O. RECOMMENDATION:

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

BACKGROUND:

Summary

This is a cost reimbursement grant award, therefore the awarded amount is not received in advance.

Since the events of September 11, 2001, the United States of America has increased attention to the interception of terrorists attempting entry into the United States. Terrorists and other criminals such as human and drug traffickers are regarded by law enforcement as a primary threat to our nation. Operation Stonegarden (OPSG), through intelligence gathering and agency collaboration, seeks to identify methods and enforcement profiles to weaken these types of terrorist activities.

On April 12, 2016 (3-19), the Board of Supervisors accepted the OPSG FY15 grant. OPSG within Riverside County, California will be conducted by local law enforcement agencies in collaboration with the United States Border Patrol-Yuma Sector during the period of October 1, 2016 to September 30, 2019. The focus of the operation will be to increase law enforcement presence in areas identified through intelligence information as "high-entry" points and routes of egress used by narcotic smuggling and human trafficking organizations, or as central transportation hubs. Through the enforcement of the California Penal Code, Stonegarden officers will act as a second tier of Homeland Security operations in direct support of the National Border Patrol Strategy.

It is the intent of the Yuma Sector Chief Patrol Agent, to increase border security in direct coordination with the Riverside County Sheriff's Department and our two grant partners, City of Blythe Police Department and California Highway Patrol-Blythe Area. OPSG does not extend Federal authority to County or Local law enforcement agencies to enforce Federal immigration laws. Riverside County Sheriff's Department and our grant partners, Blythe Police Department and California Highway Patrol-Blythe Area will focus on criminal suppression through identified ingress corridors pre-determined by intelligence based planning. Riverside County Sheriff's Department and partnering agencies, Blythe Police Department and California Highway Patrol-Blythe Area, will not enforce immigration violations but will concentrate on enforcing California Penal Codes along said ingress routes.

The Riverside County Sheriff's Department's goal is to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. The Sheriff's Department will conduct increased patrol functions on days and at locations as intelligence dictates.

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

The Sheriff's Department is currently utilizing funds from OPSG FY15 in FY16/17. Per the grant requirements, OPSG FY16 funds cannot be used until OPSG FY15 funds have been fully expended. It is estimated that OPSG FY16 funds will not be utilized until FY17/18. Additional budget adjustments will be requested upon receipt of the award documents, if necessary.

OPSG funding of $400,000 for overtime and equipment will be distributed to the Riverside Sheriff's Department and grant partners, Blythe Police Department and California Highway Patrol-Blythe Area, during FY17-18, FY18-19 and FY19-20 for the purpose of increasing law enforcement presence along major routes of ingress in their area of operation.

The attached resolution and grant assurances have been approved as to form by County Counsel.

Impact on Residents and Businesses

The OPSG funding will allow the Sheriff's Department and grant partners, Blythe Police Department and California Highway Patrol-Blythe Area, to continue to work in collaboration with the United States Border Patrol-Yuma Sector to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. Our citizens are safer as a direct result of the Homeland Security grant funding of this joint mission.

BACKGROUND:

Summary

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

Law Enforcement agencies across the country are using body-worn cameras (BWC) as a promising tool to improve law enforcement interactions with the public. BWCs can provide a visual and audio record of interactions. Some preliminary evidence indicates that the presence of BWCs helps strengthen accountability and transparency, and can assist in deescalating conflicts, resulting in more constructive encounters between the police and members of the community.

Due to lack of audio or video record of the majority of police and citizen encounters, the Department spends a significant amount of time annually investigating citizen complaints against officers. In order to save personnel time and increase accountability of both officers and the citizens, the Department needs to equip every uniformed patrol officer with a body-worn camera (BWC) and establish policies as needed.

Through the award of the grant, the Sheriff's Department proposes to expand our BWC program by equipping and training the remaining 1,000 uniformed patrol personnel with body worn cameras, providing BWC policy training, and integrating this new technology into daily patrol operations at the nine unequipped patrol stations. The project will expand our existing BWC program, improve employee and citizen accountability and strengthen community relationships by using video to improve transparency in law enforcement encounters with the public.

The grant requires a match of 50% which has already been allocated in the Sheriff's Department budget. The match will pay for the long-term data storage for the body-worn cameras, hard drive storage, and citizen complaint and use of force software.

This is a cost reimbursement grant award, therefore the awarded amount is not received in advance. The grant performance period is October 1, 2016 through September 30, 2018.

Impact on Residents and Businesses

The Body-Worn Camera grant funding will allow the Sheriff's Department to expand the existing BWC program to fully equip all sworn personnel within the next two years. It is anticipated the new technology will reduce citizen complaints and use of force complaints.

PROJECT NUMBER 2016-BC-BX-K047 AWARD DATE 09/26/2016

SPECIAL CONDITIONS

1. Applicability of Part 200 Uniform Requirements

   The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

   The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

   For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at http://ojp.gov/funding/Part200UniformRequirements.htm.

   In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

   The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Required training for Point of Contact and all Financial Points of Contact

   Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

   In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

   A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at http://www.ojp.gov/training/fmts.htm. All trainings that satisfy this condition include a session on grant fraud prevention and detection

   The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

PROJECT NUMBER 2016-BC-BX-K047 AWARD DATE 09/26/2016

SPECIAL CONDITIONS

4. Requirements related to "de minimis" indirect cost rate

   A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

5. Requirement to report potentially duplicative funding

   If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirements related to System for Award Management and Unique Entity Identifiers

   The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at http://www.sam.gov. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

   The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

   The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at http://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

   This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. All subawards ("subgrants") must have specific federal authorization

   The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

   The details of the requirement for authorization of any subaward are posted on the OJP web site at http://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

   The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.
   The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

10. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

    The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

    Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

11. Requirement for data on performance and effectiveness under the award

Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

LAW ENFORCEMENT SERVICES AGREEMENT BETWEEN THE COUNTY OF RIVERSIDE AND THE PALM SPRINGS UNIFIED SCHOOL DISTRICT FOR THE COUNTY SHERIFF'S PROVISION OF A SCHOOL RESOURCE OFFICER

THIS AGREEMENT is made and entered into by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California, through its Sheriff's Department, hereinafter "SHERIFF", and the PALM SPRINGS UNIFIED SCHOOL DISTRICT, a Special-Purpose District, hereinafter "DISTRICT".

WHEREAS, SHERIFF and DISTRICT have identified a need to provide additional law enforcement among DISTRICT's school sites; and

WHEREAS, SHERIFF and DISTRICT share common goals that include providing support for the education process by implementing a school community policing approach within DISTRICT's jurisdiction that addresses school crime and safety issues and focuses on the needs of students at risk; and

WHEREAS, SHERIFF and DISTRICT desire to work cooperatively in this school community policing approach by entering into this Agreement to place Deputy Sheriff(s) as School Resource Officers, herein after referred to as SRO or SROs, on the DISTRICT campuses as needed to assist in the teaching of police science classes and to be a visual deterrent to aberrant behavior and thereby enhance DISTRICT's campus control and student protection;

IT IS THEREFORE AGREED AS FOLLOWS:

1. TERM This Agreement shall be effective from July 1, 2016 through June 30, 2017, unless sooner terminated as provided in Paragraph 8.

2. SCOPE OF SERVICES

A. SHERIFF agrees to provide one (1) SRO, who will be assigned to the DISTRICT campuses as follows: one SRO will be assigned to and be responsible for duties at the Rancho Mirage High School. The duties of the SRO shall include provision of class presentations on relevant law enforcement issues, patrol of school campuses, investigation of crimes, maintenance of order on campuses, counseling of students and their parents, and serving as liaisons at school sites. The SRO will also serve a liaison role between the educators employed by the DISTRICT, the School Attendance Review Boards (S.A.R.B.), the Probation Department, and other law enforcement officials, and perform other related duties. It is understood that the SRO will be assigned to DISTRICT on a full-time basis throughout the school year.

B. DISTRICT agrees to comply with all reasonable requests of SHERIFF necessary to the performance of SRO's duties under this Agreement. DISTRICT agrees to furnish space for use by the SRO while performing the above-described services.

3. MODIFICATION OF SERVICES No portion of the services or responsibilities of either party described in this Agreement may be eliminated, reduced, or appreciably changed without the mutual written consent of both parties.

4. COMPENSATION DISTRICT shall reimburse SHERIFF the full cost of rendering service pursuant to this Agreement. Such cost of services shall be established by the County Board of Supervisors in the form of an hourly rate for an SRO and a mileage rate, and shall include all items of cost and expense to the Sheriff for providing the services hereunder. Total cost to DISTRICT under this Agreement is estimated at $137,000, based on the hours of work for the SRO, as estimated by the DISTRICT. Payment for services shall be rendered on a monthly basis upon receipt by DISTRICT of a proper invoice submitted by SHERIFF. DISTRICT will notify County prior to February 1, 2017 of any reduction of services necessary due to lack of funding.

5. VACATION AND HOLIDAY TIME SRO's vacation time shall not conflict with the schedule of duties mutually developed by DISTRICT and SHERIFF. Because DISTRICT and SHERIFF holidays may not correspond, holiday time will be taken by the SRO in accordance with DISTRICT holidays during the contract period. The excess days shall be taken with reasonable notice to DISTRICT, but shall not conflict with the schedule of duties mutually developed by DISTRICT and SHERIFF.

6. ADMINISTRATION AND SUPERVISION SHERIFF (or designee) shall administer this Agreement and supervise the SRO on behalf of the County of Riverside. The Superintendent of DISTRICT (or designee) shall administer this Agreement on behalf of DISTRICT.

7. COUNTY EMPLOYEE SROs shall remain employees of SHERIFF on special assignment to DISTRICT for the purposes set forth in this Agreement, and shall not be considered agents, employees, or deputies of DISTRICT.

8. TERMINATION Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In the event of termination, District shall pay for services actually rendered through the termination date only.

9. HOLD HARMLESS AND INDEMNIFICATION

A. DISTRICT shall indemnify and hold harmless the County, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability, claim, damage or action whatsoever, based or asserted upon any act or omission of DISTRICT, its officers, employees, contractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death. With respect to any action or claim subject to indemnification herein by DISTRICT, DISTRICT shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DISTRICT's indemnification of County. DISTRICT's obligations hereunder shall be satisfied when DISTRICT has provided to County the appropriate form of dismissal (or similar document) relieving the County from any liability for the action or claim involved. Any insurance coverage shall in no way limit or circumscribe DISTRICT's obligations to indemnify and hold harmless the County.

B. County shall indemnify and hold harmless the DISTRICT, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives from any liability, claim, damage or action whatsoever, based or asserted upon any act or omission of County, its officers, employees, contractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death. 4. COMPENSATION DISTRICT shall reimburse SHERIFF the full cost of rendering service pursuant to this Agreement. Such cost of services shall be established by the County Board of Supervisors in the form of an hourly rate for an SRO and a mileage rate, and shall include all items of cost and expense to the Sheriff for providing the services hereunder. Total FY 2016-17 cost to DISTRICT under this Agreement is estimated at $481,000, and was based on 5,370 annual hours to be worked by SROs, as directed by DISTRICT, plus anticipated contract rate adjustments. Payment for services shall be rendered on a monthly basis within thirty (30) days of receipt by DISTRICT of a proper invoice submitted by SHERIFF. In April 2017, DISTRICT can request SHERIFF's staff to provide a service cost estimate for FY 2017-18.

5. VACATION AND HOLIDAY TIME

A. SROs' vacation time shall not conflict with the schedule of duties mutually developed by DISTRICT and SHERIFF.

B. Because DISTRICT and SHERIFF holidays may not correspond, holiday time will be taken by the SROs in accordance with DISTRICT holidays during the contract period. The excess days shall be taken with reasonable notice to DISTRICT, but shall not conflict with the schedule of duties mutually developed by DISTRICT and SHERIFF.

6. AUDIT Pursuant to and in accordance with the provisions of Government Code Section 8546.7, or any amendments thereto, all books, records and files of DISTRICT and SHERIFF connected with the performance of this Agreement involving the expenditure of public funds in excess of Ten Thousand Dollars ($10,000) are subject to the examination and audit of the State Auditor of the State of California, at the request of the DISTRICT or as any part of an audit of the DISTRICT, for a period of three (3) years after the final payment is made under this Agreement. The parties agree to preserve such books, records and files for the audit period.

7. ADMINISTRATION AND SUPERVISION SHERIFF (or a designee) shall administer this Agreement and supervise SROs on behalf of the County of Riverside. The Superintendent of DISTRICT (or designee) shall administer this Agreement on behalf of DISTRICT.

8. COUNTY EMPLOYEE SROs shall remain employees of SHERIFF on special assignment to DISTRICT for the purposes set forth in this Agreement, and shall not be considered an agent, employee, or deputy of DISTRICT. SHERIFF shall be solely responsible for provision of all salary, health and welfare benefits, workers' compensation insurance, liability insurance and other employment-related benefits to the SROs.

9. TERMINATION Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In the event of termination, District shall pay for services actually rendered through the termination date only.

10. HOLD HARMLESS AND INDEMNIFICATION

A. DISTRICT shall indemnify and hold harmless the County, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability, claim, damage or action whatsoever, based or asserted upon any act or omission of DISTRICT, its officers, employees, contractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death. DISTRICT shall defend, at its sole cost and expense, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, the County, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any such action or claim. With respect to any action or claim subject to indemnification herein by DISTRICT, DISTRICT shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DISTRICT's indemnification of County. DISTRICT's obligations hereunder shall be satisfied when DISTRICT has provided to County the appropriate form of dismissal (or similar document) relieving the County from any liability for the action or claim involved. Any insurance coverage shall in no way limit or circumscribe DISTRICT's obligations to indemnify and hold harmless the County.

B. County shall indemnify and hold harmless the DISTRICT, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives from any liability, claim, damage or action whatsoever, based or asserted upon any act or omission of County, its officers, employees, contractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death. With respect to any action or claim subject to indemnification herein by County, County shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of DISTRICT; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes County's indemnification of DISTRICT. County's obligations hereunder shall be satisfied when County has provided to DISTRICT the appropriate form of dismissal (or similar document) relieving the DISTRICT from

any liability for the action or claim involved. Any insurance coverage shall in no way limit or circumscribe County's obligations to indemnify and hold harmless the DISTRICT.

11. ASSIGNMENT Neither this Agreement nor any duties or obligations under this Agreement may be assigned by either party without prior written consent of other party.

12. ENTIRE AGREEMENT This Agreement supersedes any and all agreements, either oral or written, between the parties, and contains all of the covenants and agreements between the parties with respect to the subject matter hereof. Each party acknowledges that no other agreement, understanding or promise, oral or otherwise, relative to this subject matter exists between the parties at the time of execution of this Agreement. BACKGROUND:

Summary

Cajalco Road (Expressway) is one of the primary transportation corridors in Western Riverside County. It links the Interstate 15 (I-15) to the Interstate 215 (I-215), and connects to the Ramona Expressway easterly from that point to State Route 79 (SR-79) and the San Jacinto Valley.

Improvements to Cajalco Road are essential to reduce congestion and maintain and enhance the quality of life in Western Riverside County. The Riverside County Transportation Commission (RCTC) reaffirmed its commitment to a future east-west arterial corridor between I-15 and I-215 by supporting the County's planned improvements to Cajalco Road and prioritizing funding for the preparation of environmental documents by the County.

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On December 14, 2010 (Agenda Item 3-59), the Board of Supervisors approved the Environmental and Engineering Services Agreement No. 10-11-014. On March 29, 2016 (Agenda Item 3-31), the Board of Supervisors approved Amendment No. 1 to the Environmental and Engineering Services Agreement No. 10-11-014 to modify the scope due to additional environmental and design requirements.

The County of Riverside Transportation Department (Transportation Department) is proceeding with the planned improvements to widen Cajalco Road between I-15 and I-215. Certain portions of the proposed Cajalco Project are located on real property owned by Metropolitan ("Metropolitan Land") lying both within the boundaries of Metropolitan's Multiple Species Habitat Conservation Plan/Natural Communities Conservation Plan (MSHCP/NCCP) ("Conservation Plans") and outside of the Conservation Plans boundaries.

The Conservation Plans as developed and implemented by Metropolitan provide incidental take authorizations pursuant to the federal and state Endangered Species Acts for optimal operation and expansion of Lake Mathews and its facilities, which are an integral part of Metropolitan's public water supply system. Metropolitan may expand its current operations at Lake Mathews, which requires that Metropolitan's incidental take authorizations remain at or exceed current levels.

County staff desires to coordinate and obtain guidance from Metropolitan in order to facilitate the County's efforts to evaluate and maintain consistency with the Conservation Plans. The Cajalco Project's consistency with Metropolitan's Conservation Plans will be evaluated by County in an environmental impact report or other environmental document that is prepared by the County for the Cajalco Road Widening Project. As a condition for participation in this effort, Metropolitan requires reimbursement for the expenses it incurs and indemnification against any potential claims arising out of Metropolitan's assistance to the County for the Cajalco Road Widening Project.

The terms of this agreement limit the reimbursement of Metropolitan expenses to $70,000 unless approved by an amendment.

Project Number: C0-0551

Impact on Residents and Businesses

Regional transportation facilities are essential to public health, safety, and welfare. Cajalco Road is a significant east-west regional arterial in the County. Extensive public outreach has taken place for the widening project via scoping meetings, Municipal Advisory Council briefings, community group meetings, and town hall meetings.

Input received has been incorporated into the Alternatives to be evaluated in the Environmental Impact Report (EIR)/Environmental Impact Statement (EIS). The purpose of this agreement is in part to facilitate coordination with Metropolitan in order to minimize project impacts on Metropolitan Land and facilities, the Plan Agreements and Conservation Plans.

SUPPLEMENTAL:

Additional Fiscal Information

All costs associated with Metropolitan's coordination are fully funded by the Development Impact (DIF) Area Plan 7 (AP7) Regional Transportation Match funds authorized by the Board of Supervisors on July 12, 2011, by Minute Order 3-5. No net County costs will be incurred as a result of this transaction.

REIMBURSEMENT, INDEMNITY AND DEFENSE AGREEMENT FOR THE CAJALCO ROAD WIDENING PROJECT BY AND BETWEEN THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA AND THE COUNTY OF RIVERSIDE

THIS REIMBURSEMENT, INDEMNITY AND DEFENSE AGREEMENT ("Reimbursement Agreement") is made and entered into on _____ ("Effective Date") by and between THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA, a public corporation incorporated under the Metropolitan Water District Act of the State of California (Stats. 1969, Ch. 209 as amended), hereinafter referred to as "Metropolitan," and THE COUNTY OF RIVERSIDE, a political subdivision of the State of California, by and through the RIVERSIDE COUNTY TRANSPORTATION DEPARTMENT, hereinafter referred to as "County". Metropolitan and County may be referred to as "Parties" in this Reimbursement Agreement.

1. Recitals

1.1. In 2011, County proposed the Cajalco Road improvement project ("Cajalco Project") to (i) address anticipated growth and mobility needs, as identified in the County of Riverside General Plan Circulation Element Policy 1.5; (ii) provide improved inter-regional travel by improving east-west mobility in Riverside County; and (iii) improve roadway alignment and intersection design to enhance safety along Cajalco Road. The Cajalco Project is a County of Riverside Project.

1.2. County is continuing its study of alignments for the widening of Cajalco Road from two to four lanes between Harvill Avenue and Temescal Canyon Road, and from four to six lanes between the I-215 southbound ramps and Harvill Avenue. Two alignments previously were identified for study and presented to the public during scoping meetings held pursuant to the California Environmental Quality Act ("CEQA") in September 2011 and October

Attachment: Agreement (1890 : MWD Cajalco Reimbursement and Indemnity)

2012. Based upon the feedback received from residents and public agencies, two additional alignments are identified for study.

1.3. Certain portions of the proposed Cajalco Project are located on real property owned by Metropolitan ("Metropolitan Land") lying both within the boundaries of Metropolitan's Multiple Species Habitat Conservation Plan/Natural Communities Conservation Plan (MSHCP/NCCP) ("Conservation Plans") and outside of the Conservation Plans boundaries as identified in the map attached as Exhibit "A" and incorporated herein by reference. The Conservation Plans as developed and implemented by Metropolitan provide incidental take authorizations pursuant to the federal and state Endangered Species Acts for optimal operation and expansion of Lake Mathews and its facilities, which are an integral part of Metropolitan's public water supply system. Metropolitan may expand its current operations at Lake Mathews, which requires that Metropolitan's incidental take authorizations remain at or exceed current levels. The Cajalco Project's consistency with Conservation Plans will be evaluated by County in an environmental impact report or other environmental document that is prepared by the County for the Cajalco Project, including without limitation, an Environmental Impact Report/Environmental Impact Statement ("EIR/EIS") prepared for the Cajalco Project pursuant to the California Environmental Quality Act ("CEQA") and the National Environmental Policy Act ("NEPA") ("Environmental Document").

1.4. Metropolitan Land was acquired as part of Metropolitan's development of Lake Mathews and is encumbered with conservation easements for the protection of native habitat and species. The Conservation Plans were developed pursuant to the Mitigation Banking Agreement, the Cooperative Management Agreement, the California Fish and Game Code Sections 2081 and 2835 Memorandum of Understanding, and the federal Memorandum of Understanding and Implementation Agreement ("Plan Agreements") and a settlement agreement in *San Bernardino Audubon Society v. Metropolitan Water District, et al.*, Riverside County Superior Court Case No. RIC 274844 ("Settlement Agreement"). The Settlement and Plan Agreements are deemed to have a binding legal effect on Metropolitan.

3.26.b

Attachment: Agreement (1890 : MWD Cajalco Reimbursement and Indemnity)

1.5. Each of the currently proposed Cajalco Project alignments (hereinafter referred to as "Alignments") will likely require acquisition of some Metropolitan Land and may result in direct or reasonably foreseeable indirect effects on protected species and may increase the potential for unauthorized access. These direct or reasonably foreseeable indirect effects may degrade the current condition of the Reserve unless the Cajalco Project includes adequate mitigation. In addition, each of the currently proposed Cajalco Project alignments may affect facilities constructed by Metropolitan in the vicinity of Lake Matthews.

1.6. County requires the cooperation and participation of Metropolitan in analyzing the Alignments and their respective impacts on the Metropolitan Land, facilities, water quality and operations, the Plan Agreements, Conservation Plans, Settlement Agreement, incidental take authorizations granted to Metropolitan by the United States Fish and Wildlife Service and the California Department of Fish and Wildlife ("Wildlife Agencies"), impacts on Metropolitan's existing and planned improvements, and impacts on water quality. County desires Metropolitan's technical assistance, analysis and expertise for the Cajalco Project, which may include plan review and comments, consultation on design, engineering, environmental and legal analysis ("Metropolitan's Assistance").

1.7. County acknowledges that Metropolitan's Assistance will require Metropolitan's expenditure of resources for the benefit of the County and Metropolitan will require reimbursement from the County for all actual costs and expenses incurred by Metropolitan in providing Metropolitan Assistance. Metropolitan agrees to cooperate with County as it studies and works toward identifying a preferred alignment for the Cajalco Project subject to the terms and conditions of this Reimbursement Agreement. Metropolitan's cooperation with County under the terms and conditions of this Reimbursement Agreement shall not be construed as an expression of support, acquiescence, consent or ratification of either the Cajalco Project or any of the Alignments considered by County. Metropolitan reserves its rights of objection and opposition to the Cajalco Project and to any part of the project.

NOW, THEREFORE, BE IT RESOLVED found and determined that for the mutual promises and consideration of the provisions herein contained, the Parties hereto do hereby agree as follows:

2. **Environmental Matters.** The Cajalco Project may require preparation of an Environmental Impact Report or an Environmental Impact Statement ("Environmental Documents"). The Environmental Documents will fully analyze project impacts on Metropolitan Land, facilities, water quality and operations the Plan Agreements, Conservation Plans, Settlement Agreement, incidental take authorizations granted to Metropolitan by the Wildlife Agencies, impacts on Metropolitan's existing and planned improvements, and impacts on water quality. Metropolitan may be a "responsible agency" for the Cajalco Project under CEQA and a "participating agency" under NEPA. Metropolitan's designation as either a responsible agency or participating agency shall not be construed as an expression of support, acquiescence, consent or ratification of either the Cajalco Project or any of the Alignments considered by County. Metropolitan reserves its rights of objection and opposition to the Cajalco Project and to any part of the project.

2.1. County shall preserve, maintain and make whole Metropolitan with respect to direct or reasonably foreseeable indirect impacts on Metropolitan Land, facilities, water quality and operations, rights under Plan Agreements and Conservation Plans, including the incidental take authorizations granted to Metropolitan by the Wildlife Agencies that are identified in the Environmental Documents prepared for the Cajalco Project.

2.2. County will undertake all feasible mitigation measures required to minimize project impacts on Metropolitan Land and facilities, water quality and operations, the Plan Agreements and Conservation Plans, including but not limited to, acquiring and conveying substitute conservation easements as mitigation for such impacts. County shall further maintain the incidental take authorizations granted to Metropolitan by the Wildlife Agencies at their existing or greater levels.

Attachment: Agreement (1890 : MWD Cajalco Reimbursement and Indemnity)

2.3. The Environmental Documents shall, amongst other actions: (1) calculate the direct or reasonably foreseeable indirect impacts of the Cajalco Project to the Metropolitan Lands for direct and indirect temporary and permanent impacts and effects on biological resources and habitat values of the Metropolitan Lands for the species covered by the Plan Agreements and Conservation Plans ; (2) assess impacts of the Cajalco Project on facilities, operations and water quality; (3) and evaluate potential impacts to Metropolitan Lands covered by a conservation easement.

3. Reimbursement and Deposits. County will reimburse Metropolitan's actual costs incurred in providing Metropolitan Assistance to the County for the Cajalco Project. County will make payment to Metropolitan for all of Metropolitan's costs for Metropolitan Assistance, including labor, labor additives, materials, equipment use, transportation, and the cost of consumables, plus overhead, based on Metropolitan's direct costs for providing Metropolitan Assistance. The maximum reimbursable amount for work by Metropolitan shall not exceed $70,000 unless approved by an amendment to this agreement.

3.1 Within 30 days from the Effective Date, County shall issue a task order to Metropolitan for Metropolitan Assistance, the specific details of which shall be described in the task order, and will make an initial deposit with Metropolitan in the sum of $25,000. The initial deposit of $25,000 will be applied to actual costs, as described in Section 3 above, incurred by Metropolitan in providing Metropolitan Assistance for the Cajalco Project. Thereafter, County will make periodic deposits (a "Task Order Deposit") to cover actual costs of performing the Task Orders, which costs may exceed estimates made in the Task Order. All Task Order Deposits shall be made by County within 30 days of written notice given by Metropolitan.

3.2 In addition to Metropolitan Assistance, Task Orders may include Metropolitan's retention of consultants to study the after condition configuration and functionality of the Metropolitan Lands, including effects on species covered under the Plan Agreements and Conservation Plans for each of the Alignments and such other studies as may be deemed necessary by Metropolitan and County for the Cajalco Project. Metropolitan has no

obligation to commence work or perform services described in a Task Order, until (i) County has first deposited with Metropolitan the estimated reimbursable amount of payment associated with that Task Order or (ii) County has made a subsequent deposit of costs which exceed the Task Order estimate. Reimbursement for any work done by consultants retained by Metropolitan for the Cajalco Project shall be included in the total maximum reimbursable amount set forth in Section 3 above and shall not increase that maximum reimbursable amount unless approved by an amendment to this agreement.

4. **Task Orders.** Metropolitan will provide services to County pursuant to a written Task Order in the form of Exhibit 1, hereto. However, Metropolitan shall have no obligation to provide services under a Task Order until such time as the Parties have agreed to the scope of services and special terms and conditions, if any. Metropolitan's time spent reviewing and negotiating Task Orders shall be a reimbursable item, whether or not listed in a Task Order.

4.1. The Parties shall meet and confer prior to issuing a Task Order or an amended Task Order for the purpose of discussing the scope of Metropolitan's Assistance, estimating time and costs for Task Order Deposits and discussing other issues that may relate to Task Orders. The Task Order may be issued by County only after the Parties have agreed to the scope of services and special terms and conditions contained, if any, in a Task Order for the performance of Metropolitan Assistance.

4.2. Any requested changes or modifications to the tasks documented in a Task Order, either prior to or after authorization, will not be effective unless accepted by the other Party and documented in an amended Task Order. County will increase its Task Order Deposit should the amended Task Order so require.

5. **Coordination and Schedule.** Metropolitan and County agree to pursue their respective work efforts with reasonable diligence based on an estimated project schedule. Nonetheless, the time scheduled for completion of any task undertaken pursuant to this Reimbursement Agreement may be delayed by either party to this Reimbursement Agreement

without penalty. In case of a delay, the Parties will strive to complete the work in an expeditious manner.

5.1. Metropolitan and County may hold periodic meetings to review the Cajalco Project schedule and coordinate work efforts, coordination issues, and changes in scope or project organization, and to agree to revise and update the project schedule if necessary. The foregoing, notwithstanding, the Parties may coordinate via email, electronic conferencing or any other mutually agreed method.

6. Billings and Payments. Metropolitan shall have the right, but not the obligation, to draw monthly against Task Order Deposits in proportion to the amount Metropolitan Assistance provided during that month. County shall have the right to request an accounting, with description of tasks completed and time incurred by Metropolitan for Metropolitan Assistance. If requested by County, Metropolitan shall provide the accounting within thirty (30) days of the request.

7. Indemnification and Defense

7.1. County, at its own expense, shall indemnify, defend and hold harmless Metropolitan, its agents, officers, and employees from and against any claim, demand, cause of action or proceedings (of any kind whatsoever) (collectively a "Dispute") brought against Metropolitan, its agents, officers, and employees, arising out of Metropolitan's Assistance to the County for the Cajalco Project, including the Plan Agreements, Conservation Plans, Settlement Agreement or any combination thereof as such agreements and plans relate to the Cajalco Project, including actual direct and indirect costs, damages, expenses attorney fees and awards of attorneys' fees against Metropolitan.

7.2. Upon written notice from Metropolitan of a Dispute, County shall resist, or defend such pre- and post-trial Disputes through counsel that is satisfactory to Metropolitan. Metropolitan has the absolute right to approve any and all counsel retained by County to defend Metropolitan in any Dispute, approval by Metropolitan of counsel selected by County shall not

be unreasonably withheld. Metropolitan has the right to demand that County appoint outside counsel to defend Metropolitan at the County's sole cost and expense.

7.3. In the event County fails to promptly and diligently defend Metropolitan in any Dispute, after notice from Metropolitan of any alleged failure to defend, Metropolitan shall have the right but not the obligation to assume its own defense at the sole cost and expense of County. In such circumstances, County shall pay the attorneys' fees and costs of the legal firm retained by Metropolitan to represent Metropolitan in the Dispute within 30 days from receipt of an invoice delivered to County by Metropolitan or its appointed counsel.

7.4 Nothing contained in this Reimbursement Agreement, shall be construed to limit the Metropolitan's discretion to defend, settle or appeal or to decline to settle or to terminate or forego defense or appeal of a Dispute as it relates to Metropolitan only. It is also understood and agreed that all written work product prepared by County or its counsel for a Dispute is subject to reasonable review, revision and approval by Metropolitan's counsel. County shall be responsible for all economic costs, losses and damages incurred by Metropolitan in any final disposition of a Dispute, including without limitation, settlement by Metropolitan in consultation with County.

7.5 The County's obligation to defend and indemnify Metropolitan shall survive termination of this Reimbursement Agreement.

8. **Term.** This Reimbursement Agreement shall remain in effect for 24 months from the Effective Date, unless earlier terminated as set forth in paragraph 11. No later than 30 days after termination, all funds deposited with Metropolitan that have not been appropriated to a Task Order, shall be returned to County.

9. **Agreement Administrators.** In performing tasks for this Reimbursement Agreement, Metropolitan designates Shohreh Zareh and County designates Scott Staley as their respective Agreement Administrators. The Parties may change this designation upon written notice to the other Party.

Treasurer assumes full responsibility for those transactions, and must make a monthly report of the transactions to the Board. Section 27000.3 requires that the Board is the fiduciary agent of

the County unless the Board has delegated that authority to the County Treasurer. Delegation of that authority is the norm and clearly anticipated in numerous code sections.

Section 53608 also allows the Board to delegate to the County Treasurer the Board's authority to deposit funds for safekeeping. Under these statutes, the delegation of authority to the County Treasurer may be revoked by ordinance at any time.

Ordinance No. 767.20 renews the Board's delegation to the County Treasurer of its authority to invest or reinvest funds of the County and other depositors in the County Treasury, to sell or exchange securities, and to deposit funds for safekeeping.

This amendment to Ordinance No. 767 is exempt from CEQA. The amendment merely renews the annual delegation of authority for the Treasurer to invest and keep safe funds of the County and other depositors in the County Treasury. This amendment is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA as reflected in CEQA Guidelines section 151061(b)(3). Because it can be seen with certainty that there is no possibility that the delegation of investment and safekeeping authority to the Treasurer may have a significant effect on the environment, the amendment of Ordinance 767 to provide for that delegation is exempt from CEQA.

County Counsel has approved the ordinance amendment as to form.

Summary (continued)

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

The County of Riverside entered into negotiations with the City of Lake Elsinore due to the proximity of the proposed annexation boundary to a Disadvantaged Unincorporated Community (DUC) known as Warm Springs. Warm Springs is one of three DUCs in proximity to the City of Lake Elsinore. There are forty DUCs in Riverside County. A DUC is defined as an inhabited community in an unincorporated area with a median annual income less than eighty percent (80%) of the statewide annual household income level. Because the annexation area was not immediately adjacent or contiguous, due to a small buffer of higher income properties between the DUC and the proposed annexation area, this annexation was not subject to LAFCO regulations The County also had a concern regarding a service island, in particular with Sheriff and Fire services if the City were no longer under contract with the County for these services.

The City and the developer the proposed annexation met with the County and the annexation boundary was subsequently modified; however, the County's concerns remained. Consequently, the City worked with the County on developing terms whereby the County would not oppose the annexation. In exchange for not opposing the Nichols Rd annexation (LAFCO 2015-07-1) or the Summit Annexation (2016-04-1) under this Agreement, the City agrees to continue to provide police and fire services to the remaining residents of the Warm Springs community if the City were no longer contracting with the County for one or both of these services. An additional term allows for the residents of Warm Springs to use any park and recreational facilities in the annexation area at the same cost as if they were a resident of Lake Elsinore. The remaining terms relate to orderly development, including economic development, and annexations by the City.

County Counsel has approved the agreement as to form.

Impact on Residents and Businesses

There is no immediate impact on residents or business; however, police and fire services will continue to be provided locally if the contractual relationship changes with the city.

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPERTY

Assessment No.: 549210019-7 Item: 373
Situs Address: 44019 Lloyd St Hemet 92544
Assessee: Williams, Edward R & Reinke, Melanie M
Date Sold: April 29, 2014
Date Deed to Purchaser Recorded: June 20, 2014
Final Date to Submit Claim: June 22, 2015

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Ronald E. Doty and Karen J. Doty, called the "Trustors" or "Settlors" or "Trustees," depending on the context, and sometimes referred to as "Husband" and "Wife," declare that this instrument is a new restatement in its entirety of that certain Declaration of Trust known as The Ronald E. Any community property transferred to the trust shall remain community property after its transfer and separate property transferred to the trust shall remain separate.

Re: **Lawyers Title Escrow 07708265-707-A7M**
Edward R. Williams & Melanie M. Reinke

Dear Ron & Karen:

We have completed our review and calculation of the notes secured by the residence at 44019 Lloyd Street, Hemet, CA 92544.

Explanation of balance due on notes:

1. Original notes were for 5,000 and 18,500 (for the purposes of this letter identified as Note 1 and Note 2) Both notes began May 1,1998 and carried the terms of 10% interest amortized over 15 years with 180 monthly payments beginning on June 1, 1998. The scheduled payment of the combined notes was $247.18 due the first of each month.

2. The Note balances had been reviewed by Dan Jacques, CPA in May of 2007. Mr. Jacques determined that there was an outstanding balance of unpaid scheduled principal payments was $3,273.50 as of 5/1/2007. This balance consisted of the following items: $2,897.18 principal, $346.66 Interest, and $29.66 of late fees were unpaid. Mr. Jacques also determined the outstanding balance of both notes was **$14,563.00** as of 5/1/2007. Additionally, $500 of attorneys fees had been incurred and were be applied to the balance. We agree with Mr. Jacques calculations.

3. Following the last accounting, the only transaction was a payment of $2,240.00 made on May 10, 2007. This payment was applied first to the late fees, and interest leaving an unpaid balance as of 5/10/07 totaling **$1,033.50**.

Attachment: A. EP 200-373 Claim_Doty (2252 : EP 200-373)

4. Since May 10, 2007 no additional payments have been made to either Note 1 or Note 2. Contractually required scheduled payments from 6/1/07-5/1/13 were never made. According to payment schedules these payments total $20,015.41 consisting of **$14,563.00** principal and **$5,452.41** accrued interest.

5. Additionally there are late fees on the payments for all missed payments totaling 72 periods. As specified in the debt agreement the penalty fee for a "late payment" is six percent (6%) the payment amount ($247.18). Each late fee equals $14.83. So the total of 72 late fees is an additional **$1,067.82** outstanding.

In Summary:

Unpaid as of 5/10/07 **(#3 Above)**	$ 1,033.50
Attorney fees **(#2 Above)**	$ 500.00
Unpaid Principal **(#4 Above)**	$ 14,563.00
Unpaid Interest **(#4 Above)**	$ 5,452.41
Late fees **(#5 Above)**	$ 1,067.82
Total outstanding	$ 22,616.73

Our fees of $500.00 for this accounting are not included above. The language of the note may allow you to include our fees in your demand. This would result in a revised balance of $23,116.73.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Should Borrower fail to make any payment or to do any act herein provided, then Lender or Trustee, but without obligation to do so and without notice to or demand upon Borrower and without releasing Borrower from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Lender or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Lender or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgement of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Prior Deeds of Trust; Charges; Liens. The Borrower shall perform all of the Borrower's obligations under the First Deed of Trust, if any, including Borrower's covenants to make payments when due. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Except for the liens permitted by the Lender in accordance with the terms of this Deed of Trust, Borrower shall promptly discharge any other lien which shall have attained priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. Except for the lien of the First Deed of Trust, if any, if Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within 10 day of the giving of notice.

5. Subordination. This Deed of Trust shall be recorded with the Clerk and Recorder's Office of the County of Riverside in accordance with applicable law and shall not be subordinate to any other such Deed of Trust, Lien or Encumbrance except as provided for by applicable law. Borrower shall request County approval of any additional subordination and County consent shall not be unreasonably withheld.

6. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss of fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 8.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. All requirements hereof pertaining to insurance shall be deemed satisfied if the Borrower complies with the insurance requirements under the First Deed of Trust, if any. All original policies of insurance required pursuant to the First Deed of Trust, if any, shall be held by the Senior Lien Holder, if any; provided, however, Lender may be named as a loss payee as its interest may appear and may be named as an additional insured. If Lender requires, Borrower shall promptly give to Lender copies of all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier, the Senior Lien Holder, if any, and Lender. Lender may make proof of loss if not made promptly be the Senior Lien Holder, if any, or the Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer with 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 23 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Notwithstanding the above, the Lender's rights to collect and apply the insurance proceeds hereunder shall be subject and subordinate to the rights of the Senior Lien Holder, if any, to collect and apply such proceeds in accordance with the First Trust Deed, if any.

7. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the

Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to representations concerning Borrowers use of Property for affordable housing. If this Security Instrument is on a leasehold, Borrower shall comply with all provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

The Borrower acknowledges that this Property is subject to certain use and occupancy restrictions (which may be further evidenced by a separate agreement recorded in the land records where the Property is located), limiting the Property's use to "low-income housing" within the meaning of Community Redevelopment Law. The use and occupancy restrictions may limit the Borrower's ability to rent the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle the Lender to the remedies provided in Section 23 hereof.

8. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument (including sums secured by the First Deed of Trust, if any), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 8, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 8 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amount shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

Prior to taking any actions under this paragraph 8, however, Lender shall notify the Senior Lien Holder, if any, of such default in the manner provided in paragraph 23 of this Security Instrument, and shall provide the Senior Lien Holder, if any, with the opportunity to cure any such default under this Security Instrument. All amounts advanced by the Senior Lien Holder, if any, to cure a default hereunder shall be deemed advanced by the Senior Lien Holder, if any, and shall be secured by the First Deed of Trust, if any. In addition, the Lender agrees that it will not commence

foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder, if any, at least 60 days' prior written notice. Any action by Lender hereunder to foreclose or accept a deed in lieu of foreclosure shall be subject to the "due on sale" provisions of the First Deed of Trust, if any.

Lender and Borrower further agree that a default hereunder shall constitute a default under the First Deed of Trust, if any. In the event of a default hereunder, the Senior Lien Holder shall have the right to exercise all rights and remedies under the First Deed of Trust, if any.

9. **Mortgage Insurance.** If the Lender required mortgage insurance as a condition of making the loan secured by the Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

10. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

11. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of the First Deed of Trust, if any.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender Otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any

balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent; provided, however, that such modification or accommodation shall not be made without the prior written consent of the Senior Lien Holder, if any.

14. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits

will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

15. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Borrower's mailing address stated herein or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to the Senior Lien Holder, if any, shall be given by first class mail to such address the Senior Lien Holder, if any, designates by notice to the Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

16. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

17. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. Except for a conveyance to the trustee under the First Deed of Trust, if any, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent including a transfer of all or any part of the Property to any person who, at initial occupancy of the Property, does not use the Property for "low-income housing" within the meaning of Community Redevelopment Law, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this Option, Lender shall give Borrower and the Senior Lien Holder, if any, prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu

of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice.

The Borrower and the Lender agree that whenever the Note or this Security Instrument gives the Lender the right to approve or consent with respect to any matter affecting the Property (or the construction of any improvements thereon) or otherwise (including the exercise of any "due on sale" clause), and a right of approval or consent with regard to the same matter is also granted to the Senior Lien Holder, if any, pursuant to the First Deed of Trust, if any, the Senior Lien Holder's, if any, approval or consent or failure to approve or consent, as the case may be, shall be binding on the Borrower and the Lender.

19. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgement enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 18.

20. *Sale of Note; Change of Loan Servicer.* The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 15 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. No Assignment. Until the loan secured by the First Deed of Trust, if any, has been satisfied in full, the Lender and the Borrower agree that the Note and the Security Instrument will not be assigned without the Senior Lien Holder's, if any, prior written consent.

22. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental

Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holder, if any, that such remedial action is necessary and shall obtain the Senior Lien Holder's, if any, prior written consent for such remedial action.

As used in this paragraph 22, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 22, "Environmental Law" *means federal laws and laws of the jurisdiction where the Property is* located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

23. Acceleration; Remedies. Lender shall give notice to Borrower and the Senior Lien Holder, if any, prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower (and with respect to the Senior Lien Holder, if any, 60 days from the date the notice is given to the Senior Lien Holder, if any), by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured by the Borrower on or before the date specified in the notice, and the Senior Lien Holder, if any, has not exercised its right to cure the default, then Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Line Holder, if any, at least 60 days' prior written notice. *Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided* in this paragraph 23, including, but not limited to, reasonable attorneys' fees and costs of title

evidence.

If Lender invokes the power of sale, Lender or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to Borrower, the Senior Lien Holder, if any, and to the other persons prescribed by applicable law. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

24. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

25. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

26. Modification of First Deed of Trust Loan Documents. The Lender consents to any agreement or arrangement in which the Senior Lien Holder, if any, waives, postpones, extends, reduces or modifies any provisions of the First Deed of Trust Loan Documents, if any, including any provisions requiring the payment of money.

regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument.

ARTICLE 8
DEFAULT AND REMEDIES

6.1 **Event of Default and Remedies.** Failure or delay by OWNER to perform any covenant, condition or provision of this Agreement constitutes a default under this Agreement. In such event, County shall give written notice of default to OWNER, specifying the default complained of by County. Failure or delay by County in giving such notice or asserting any of its rights or remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies, or change the time of default, or deprive County of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

OWNER shall immediately commence to cure such default upon receipt of the written notice of default and shall complete such cure within thirty (30) days from the date of receipt of the written notice or such longer period if the nature of the default is such that more than thirty (30) days is required to cure such default, but in any event, not longer than ninety (90) days. Failure to cure such default within the prescribed time shall constitute an "Event of Default."

In the Event of Default or breach of any of the terms or conditions of this Agreement by OWNER, or OWNER'S heirs, executors, administrators or assigns, County may pursue the remedy thereof by any and all means of enforcement, both in equity and at law, as provided by the laws of the State of California.

6.2 **Nuisance.** The result of every act or omission whereby any of the covenants contained in this Agreement are violated in whole or in part, is hereby declared to be and constitutes a nuisance, and every remedy allowable at law or equity, against a nuisance, either public or private, shall be applicable against every such result and may be exercised by any OWNER or its successors in interest, without derogation of County's rights under law.

6.3 **Right of Entry.** To the extent permitted by law, following thirty (30) days written notice to OWNER specifically outlining the noncompliance with this Agreement, County shall have the right of entry at reasonable hours to enforce compliance and effect the repairs or maintenance which OWNER has failed to perform. If at any time, OWNER fails to maintain the PROPERTY in accordance with the Agreement and such condition is not corrected within five (5) days after written notice from County with respect to graffiti, debris, waste material, and general maintenance, or thirty (30) days after written notice from County with respect to landscaping and building improvements,

maintenance of a nuisance, or other violation, then County, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the PROPERTY and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the PROPERTY.

6.4 **Costs of Repair.** The costs borne by County from such acts and work of protection, maintenance and repair pursuant to Section 5.3, including a reasonable administrative charge, shall become a charge which OWNER shall promptly pay upon demand and, if unpaid after fifteen (15) days, shall be assessed as a lien against the PROPERTY.

6.5 **Cumulative Remedies.** The remedies herein provided for breach of the covenants contained in this Agreement shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

6.6 **Failure to Enforce.** The failure to enforce any of the covenants contained in this Agreement shall be not constituted a waiver of the right to enforce the same thereafter.

ARTICLE 9
NOTICE

Notice to OWNER under this Agreement shall be made in writing and shall be served personally or by U.S. Mail, first-class, postage prepaid, to the address of the PROPERTY. Assessment No.: 549210019-7 Item: 373
Situs Address: 44019 Lloyd St Hemet 92544
Assessee: Williams, Edward R & Reinke, Melanie M
Date Sold: April 29, 2014
Date Deed to Purchaser Recorded: June 20, 2014
Final Date to Submit Claim: June 22, 2015

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the April 29, 2014 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 20, 2014. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 16, 2014, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 20, 2014.

The Treasurer-Tax Collector has received one claim for excess proceeds:

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

1. Claim from David Sparks, POA for Lillian Sparks, heir to the Estate of Donald Sparks based on an Order Settling First and Final Account and Report and Allowance of Executor's Commissions and Attorney's Statutory and Extraordinary fees and for Final Distribution recorded March 22, 1983 as Instrument No. 53335.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that David Sparks, POA for Lillian Sparks, heir to the Estate of Donald Sparks be denied since he was unable to substantiate his claim. Since there are no other claimants the unclaimed excess proceeds in the amount of $1,845.30 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Residents and Businesses

The excess proceeds are being transferred to the county general fund.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPE

Assessment No.: 661073024-9 Item: 519
Situs Address:
Assessee: Millen, Timothy Ray
Date Sold: April 29, 2014
Date Deed to Purchaser Recorded: June 20, 2014
Final Date to Submit Claim: June 22, 2015

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

Date Deed to Purchaser Recorded: June 20, 2014

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3947.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act 12 U.S.C. Sec. 461(b)(1)(A), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 or 18671 is liable for those amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Section 461 (b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any monies held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those monies to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

(b) In the case of a deposit account or accounts for which this notice to withhold applies, the depository institution shall send a notice by first-class mail to each person named on the account or accounts included in the notice from the Franchise Tax Board, provided a current address for each person is available to the institution. This notice shall inform each person as to the reason for the hold placed on the account or accounts, the amount subject to being withheld and the date by which this amount is to be remitted to the Franchise Tax Board. An institution may assess the account or accounts of each person receiving this notice a reasonable service charge not to exceed three dollars ($3).

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 18, 2015.

The Treasurer-Tax Collector has received one claim for excess proceeds:

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that the claim from the County of Riverside, Department of Code Enforcement be denied since the lien has been satisfied and the claim withdrawn. Since there

Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Item **9.6**

SUBMITTAL DATE:

FROM : TREASURER-TAX COLLECTOR:

SUBJECT: Recommendation for Distribution of Excess Proceeds for Tax Sale No. 203, Item 132. Last assessed to: Bobbie Jim Lessley, an unmarried man. District 5 [$0].

RECOMMENDED MOTION: That the Board of Supervisors:

1. Deny the claim from Riverside County Treasurer-Tax Collector for payment of excess proceeds resulting from the Tax Collector's public auction sale associated with parcel 341071038-7;
2. Deny the claim, unless an appeal has been filed in Superior Court, pursuant to the California Revenue and Taxation Code Section 4675;
3. Authorize and direct the Treasurer-Tax Collector to transfer the unclaimed excess proceeds in the amount of $1,770.26 to the county general fund pursuant to Revenue and Taxation Code Section 4674.

Policy

Don Kent
Don Kent, Treasurer-Tax Collector 10/14/2016

BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the May 5, 2015 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 18, 2015. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 22, 2015, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

	For Fiscal Year: 16/17

C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:
Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 18, 2015.

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from Riverside County Treasurer-Tax Collector based on a Certificate of Lien recorded May 8, 2008 as Instrument No. 2008-0246614, a Certificate of Lien recorded September 11, 2014 as Instrument No. 2014-0344111, a Certificate of Lien recorded September 11, 2014 as Instrument No 2014-0344113 and outstanding taxes due and owing.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that the claim from Riverside County Treasurer-Tax Collector be denied since the liens have been paid through excess proceeds from Tax Sale 203 Item 152, approved by the Riverside County Board of Supervisors on September 27, 2016. Since there are no other claimants the unclaimed excess proceeds in the amount of $1,770.26 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Residents and Businesses

Excess proceeds are being transferred to the county general fund.

Summary (continued)

The Treasurer-Tax Collector has received two claims for excess proceeds:

1. Claim from Simon A. Housman, Esq., Attorney for Josefina Preuit, Lawrence B. Henry and Burns Henry, III, Co-Executors to the Estate of Dorothy R. Henry based on Authorizations for Agent to Collect Excess Proceeds dated September 2, 2016, a Short Form Deed of Trust and Assignment of Rents recorded April 29, 2008 as Instrument No. 2008-0217567, the Last Will and Testament of Dorothy R. Henry, the Dorothy R. Henry Revocable Trust and the death certificate of Dorothy Roberds Henry.
2. Claim from the State of California, Franchise Tax Board based on a Notice of State Tax Lien recorded June 3, 2010 as Instrument No. 2010-0254877 and a Notice of State Tax Lien recorded November 8, 2011 as Instrument No. 2011-0497850.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that Josefina Preuit, Lawrence B. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimants by certified mail.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

DOROTHY R. HENRY REVOCABLE TRUST
(As Amended and Restated)

The following constitutes an Amendment and Restatement of the Dorothy R. Henry Revocable Trust dated March 5, 1991. The differences between the following Amendment and Restatement and the original Dorothy R. Henry Revocable Trust dated March 5, 1991, and any amendments thereto, constitute the amendments to the Dorothy R. Henry Revocable Trust.

DOROTHY R. HENRY, as Trustor of the DOROTHY R. HENRY REVOCABLE TRUST dated March 5, 1991, pursuant to paragraph 3.3, subparagraph 3.3.2, hereby amends and restates said trust as follows.

The Trustee shall pay to or apply for the benefit of the Trustor all the net income of the trust estate, or such portion thereof as the Trustor may direct from time to time, in quarterly or more frequent installments. Any net income not distributed to the Trustor pursuant to directions by the Trustor shall be added to principal at such time or times as the Trustee shall deem advisable.

At any time the Trustor may direct the Trustee to distribute such additional sums, from the principal of the trust, up to the whole thereof, as the Trustor may desire, from time to time. In addition, if the Trustee determines that the net income of the trust estate is insufficient to provide for the Trustor's proper health, education, support or maintenance, comfort and welfare in accordance with the standard of living the Trustor enjoys, the Trustee may pay such additional sums, up to the whole of the principal thereof, to the Trustor or for the Trustor's benefit as is reasonable in the Trustee's

Attachment: A. EP 203-142 Claim_Housman (2429 : EP 203-142)

discretion for these purposes. The Trustee shall not be required to inquire into other sources of income, support and the like available to the Trustor.

If at any time the Trustor is determined to be substantially unable to manage her own financial resources or resist fraud or undue influence, as determined by the Trustor's regular physician, a Court of competent jurisdiction or at the Trustor's written request, payments which the Trustee heretofore has made to the Trustor shall be applied for the Trustor's benefit and the Trustee may make payments directly for the benefit of the Trustor to providers of services and goods, as well as to the creditors of the Trustor the same as a conservator of the estate of the Trustor would be authorized to pay. In addition, the Trustee (and any successor), is authorized to continue any gift program which the Trustor had previously commenced to make use of the federal gift tax annual exclusion. Such gifts may be made outright or in trust. If a conservator of the estate of the Trustor is appointed, the Trustee shall take into account any payments made for the Trustor's benefit by the conservator, and the Trustee may pay to the conservator of the Trustor in lieu of paying for the Trustor's benefit.

On the death of the Trustor, the Trustee may pay from the income and from the principal of this trust, last illness expenses, funeral expenses, estate and inheritance taxes, accounting and attorney's fees and such other expenses as are usual and customary to be paid on behalf of the estate of a deceased person.

Trustor may make a list of specific bequests of tangible personal property in the nature of jewelry, furniture, furnishings or personal effects, to any individual or individuals or entity that she may wish. Such list shall specifically refer to this paragraph, shall be signed by the Trustor

Attachment: A. EP 203-142 Claim_Housman (2429 : EP 203-142)

and shall be delivered to the Trustee. Any such list shall constitute an amendment of the trust as to those items, and the Trustee shall distribute such bequests as the list may provide.

The rest, residue and remainder of this trust, after the Trustor's death and after paying the expenses outlined in the preceding paragraph, shall be distributed as follows:

A. Ten Thousand ($10,000.00) Dollars to Trustor's son, RICHARD CHARLY HAVERICK, provided he survives the Trustor by thirty (30) days.

B. The remainder of the trust estate shall be distributed equally among Trustor's daughter, JOSEFINA ROBERDS PREUIT, and Trustor's sons, LAWRENCE BURNS HENRY and BURNS HENRY III, provided they survive the Trustor by thirty (30) days. Should JOSEFINA ROBERDS PREUIT, LAWRENCE BURNS HENRY or BURNS HENRY III predecease the Trustor or fail to survive the Trustor by thirty (30) days, then the share of said child so dying shall be distributed equally among his or her then living issue by right of representation. Should there be no living issue of Trustor's deceased child, then Trustor's surviving children, or their issue if deceased, shall share equally in that deceased child's share.

The initial Trustee of this trust shall be DOROTHY R. HENRY. Upon the death, resignation or inability to act of DOROTHY R. HENRY, then Trustor's daughter, JOSEFINA ROBERDS PREUIT, and Trustor's sons, LAWRENCE BURNS HENRY and BURNS HENRY III, shall act as Successor Co-Trustees, or the survivor of them as Co-Trustees, or sole Trustee. No bond shall be required of any Trustee named herein.

In the event that any Trustee herein is determined, by that Trustee's regular physician, to be substantially unable to manage financial resources or resist fraud or undue influence and it is

Attachment: A. EP 203-142 Claim_Housman (2429 : EP 203-142)

further determined that the Trustee is unlikely to regain this capacity in the very near future, or is determined by a court of competent jurisdiction to be substantially unable to manage financial resources or resist fraud or undue influence, then that Trustee shall be automatically removed as Trustee hereof. A letter from that Trustee's regular physician stating these facts shall be prima facia evidence sufficient for removal.

The Trustor may, at any time, revoke this instrument in whole or in part, by a written instrument directed to the Trustee. If the Trustor revokes this instrument, the Trustee shall deliver all of the assets of the trust to the Trustor within a reasonable period of time after finishing up any remaining business of the trust, including accounting, tax return preparation and the like. The Trustee shall be entitled to a receipt for assets distributed and shall be entitled to retain sufficient assets to reasonably secure payment of liabilities the Trustee has lawfully incurred in administering the trust, including Trustee's fees that have been earned, unless the Trustor shall provide reasonable indemnity to the Trustee against loss or expense.

The Trustor may, at any time, amend any terms of this Trust by written instrument directed to the Trustee, and signed by the Trustor. No amendment shall substantially increase the Trustee's duties or liabilities or change the Trustee's compensation without the Trustee's consent. In the event an amendment is delivered to the Trustee which the Trustee considers substantially to increase the Trustee's duties or liabilities or change the Trustee's compensation to which the Trustee does not consent, the Trustee may elect to treat the amendment to the trust as unacceptable to the Trustee and may resign forthwith without incurring liability therefor. In the event the Trustee resigns as a result or refusal to accept such an amendment, the Trustor shall pay to the Trustee any sums due

Attachment: A. EP 203-142 Claim_Housman (2429 : EP 203-142)

and shall indemnify the Trustee against the liability the Trustee has lawfully incurred in administering the trust.

Probate Code Sections 17000 et seq., or any successor or substitute provisions of that code authorizing optional probate court jurisdiction over a living trust hereby are made expressly applicable to this trust and may be invoked by any person having an interest in this trust, including the Trustor, any beneficiary of the trust whose interest has become a present interest, any current Trustee of the trust, any person entitled to become a current Trustee of the trust as well as any conservator of the person or estate of the Trustor.

To carry out the provisions of this trust, or any trust under this instrument, subject to any limitations stated elsewhere in this trust, the Trustees are vested, without necessity of application to any Court, with the powers listed below as well as any powers conferred by law. The enumeration of certain powers in this trust shall not limit the Trustees' powers. The Trustees shall have all the rights, powers, and privileges that an absolute owner of the same property would have, subject to the Trustees' fiduciary obligations and to any limitations stated elsewhere in this trust.

The Trustee may, in the Trustee's discretion, invest and reinvest trust funds in every kind of property (real, personal, or mixed) and every kind of investment, specifically including, but not limited to, corporate obligations of every kind; preferred or common stocks; shares of investment trusts, investment companies and mutual funds; life insurance policies; notes, real estate, bonds, debentures, mortgages, deeds of trusts, mortgage participations, money market funds and index funds appropriate under the then-prevailing circumstances (specifically including, but not limited to, the factors set out in Probate Code Section 16047(c)):

(7) Needs for liquidity, regularity of income, and preservation or appreciation of capital.

(8) An asset's special relationship or special value, if any, to the purposes of the trust or to one or more of the beneficiaries.

In so doing, the Trustee shall exercise care, skill, and caution to attain the Trustor's goals under this instrument. The Trustee shall consider individual investments as part of an overall investment strategy having risk and return objectives reasonably suited to the purposes of the trust. The Trustee's investments may include stock in, or any common trust fund administered by, the Trustee or stock in any equity owned by the Trustee or that owns the Trustee.

In addition, the Trustees shall also have the following powers:

To do this, you may simply reply to my email stating the current amount still due and owing. If you are collecting interest, you may calculate interest in the total up until the date sold, May 5, 2015. Please let me know if you have any questions.

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act (12 U.S.C.A. Sec. 461(b)(1) (A)), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and to transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 is liable for such amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Sec. 461(b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any moneys held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those moneys to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

1. Deny the claim from Riverside County Treasurer-Tax Collector for payment of excess proceeds resulting from the Tax Collector's public auction sale associated with parcel 350202047-5;
2. Deny the claim, unless an appeal has been filed in Superior Court, pursuant to the California Revenue and Taxation Code Section 4675;

Don Kent, Treasurer-Tax Collector 10/14/2016

BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the May 5, 2015 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 18, 2015. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 22, 2015, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:
Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 18, 2015.

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from Riverside County Treasurer-Tax Collector based on a Certificate of Lien recorded May 8, 2008 as Instrument No. 2008-0246614, a Certificate of Lien recorded September 11, 2014 as Instrument No. 2014-0344111, a Certificate of Lien recorded September 11, 2014 as Instrument No 2014-0344113 and outstanding taxes due and owing.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that the claim from Riverside County Treasurer-Tax Collector be denied since the liens have been paid through excess proceeds from Tax Sale 203 Item 152,

approved by the Riverside County Board of Supervisors on September 27, 2016. Since there are no other claimants the unclaimed excess proceeds in the amount of $269.61 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Residents and Businesses

Excess proceeds are being transferred to the county general fund.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPERTY

Assessment No.: 378141020-4 Item: 246
Situs Address: 17330 Bromley Ave Lake Elsinore 92530
Assessee: Bartlett, Carl Tr & Jeannie Marie Tr
Date Sold: May 5, 2015
Date Deed to Purchaser Recorded: June 18, 2015
Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

DECLARATION OF TRUST

DECLARATION OF TRUST, dated 10/06/09, among Carl Bartlett and Jeannie Marie Bartlett, husband and wife, residents of Riverside County, State of California, as trustors (collectively hereinafter referred to as the "Trustors"), and Carl Bartlett and Jeannie Marie Bartlett, residents of said County and State, as trustees (collectively hereinafter referred to as the "Trustee").

WITNESS

WHEREAS, the Trustors are the owners of the property more particularly described in Schedule A attached hereto and made a part hereof; and

WHEREAS, the Trustors married and have one child of this marriage namely: Cassandra J. Bartlett born October 17, 2007.

Jeannie Marie Bartlett has two children of a previous marriage, namely Vivian M. Hall born January 1, 1992 and Marcus A. Hall born November 23, 2001; and

WHEREAS, the Trustors desire to create a revocable trust of the property described in Schedule A hereto, together with such monies, securities and other assets as the Trustee hereafter may hold or acquire hereunder (said property, monies, securities and other assets, together with any additions thereto received pursuant to the Trustors' Last Will and Testaments or otherwise, being hereinafter referred to as the "trust estate"), for the purposes and upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the covenants herein contained and other valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the Trustors hereby transfer, convey, assign and deliver to the Trustee as and for the trust estate the property more particularly described in Schedule A hereto, to hold the same, and any other property which the Trustee hereafter may acquire, **IN-TRUST**, for the purposes and upon the terms and conditions hereinafter set forth:

ARTICLE ONE

Directions Of Trustors

The Trustee shall hold, manage, invest and reinvest the trust estate, shall collect the income therefrom, and shall pay any part or all of the income and principal to whomever the Trustors from time to time may direct in writing. With regard to separate property contributed by either Trustor, only the Trustor who contributed such separate property may give directions to the Trustee to pay the income or principal of such separate property. Any income not so paid or applied shall be accumulated and added to the principal of this trust at least quarter-annually.

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

ARTICLE TWO

Incapacity of Trustors

If at any time either or both of the Trustors, as certified by such individuals then attending physician, shall be unable to manage properly their affairs by reason of illness or mental or physical disability (whether or not a court of competent jurisdiction has declared either of the Trustors incompetent or mentally ill or has appointed a conservator or other legal representative for either of the Trustors), the then serving Trustee may pay or apply so much or all of the net income and the principal of the trust estate as the then serving Trustee deems necessary or advisable for the health, education, maintenance or support of the Trustors. Any income not so paid or applied shall be accumulated and added to the principal of this trust at least quarter-annually.

In making any payment hereunder, the then serving Trustee may consider, but shall not be required to consider, the income and other resources of the Trustors.

If only one of the Trustors is incapacitated, the non-incapacitated Trustor may continue to withdraw or direct the payment of the income and principal of community property and of the separate property contributed by the non-incapacitated Trustor. Income or principal of community property so withdrawn or paid shall be held, administered and disposed of as community property by the non-incapacitated Trustor.

When in the process of determining the incapacity for either or both of the Trustors, all individually identifiable health information and medical records may be released to the nominated Trustee or Successor Trustee to include any written opinion relating to the incapacity. The release authority applies to any information governed by the Health Insurance Portability and Accountability Act 42 USC 1320d and 45 CFR 160-164, and applies even if that person has not yet been appointed Successor Trustee.

I instruct that my agent(s) be treated as I want to be treated with respect to my rights regarding the use and disclosure of my individually identifiable health information or other medical records. This release authority applies to any information governed by the Health Insurance Portability and Accountability Act, 42 USC 1320d and 45 CFR 160-164.

ARTICLE THREE

Trust Distribution Upon Death of Surviving Trustor

Upon the death of the surviving Trustor, the Trustee(s) shall apply and distribute the net income and principal of the resulting Trust Estate to Trustor's beneficiaries as follows:

Cassandra J. Bartlett, Trustors' Daughter, One-hundred percent (100%)

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

It is the specific intent of Trustors that Vivian M. Hall and Marcus A. Hall receive nothing at all from the Trust Estate.

The amount of the beneficiary's share shall be adjusted for the amount of any advances made by Trustors or indebtedness to the Trustors.

a) If any beneficiary to whom Trustee is directed in a preceding provision hereof to distribute any share of Trust principal is under the age of twenty-five (25) years when the distribution is to be made and if no other trust is then held under this instrument for the beneficiary's primary benefit, the beneficiary's share shall vest in interest indefeasibly but Trustee may, in his or her own discretion, continue to hold it as a separate Trust for such period of time as Trustee deems advisable but not after the time the beneficiary reaches the age of twenty-five (25) years, in the meantime using so much of the income and principal as Trustee determines to be required in addition to the beneficiary's other income from all sources known to Trustee and reasonable available for these purposes, for the beneficiary's reasonable support, comfort and education and adding any excess income to principal at the discretion of the Trustee.

b) If any beneficiary for whom a share of the Trust Estate has been set aside should fail to survive the Trustor(s), then the Trustee shall distribute all of the balance of such deceased beneficiary's share of the Trust Estate to his or her surviving issue on the principle of representation (subject to paragraph (a) above). If there should be no such surviving issue, then all of the balance of such deceased beneficiary's share of the Trust Estate shall be added equally to the other shares set aside for the benefit of the Trustor's other living beneficiaries and for the benefit of the surviving issue of each of the Trustor's deceased beneficiaries who leave issue surviving, as hereinabove provided.

c) If all of the Trustor's beneficiaries and their issue should fail to survive the Trustor(s), all of the Trust Estate not disposed of as hereinabove provided shall be distributed one-half (½) to the persons who would then be the heirs of the Trustor husband and the other one-half (½) to the persons who would then be the heirs of the Trustor wife. The identities and respective shares of the aforesaid heirs are to be determined in accordance with intestate succession laws of the State of California then in effect relating to the succession of separate property not acquired from a predeceased spouse. If either of the Trustors have no such heirs, then all of the Trust Estate shall be distributed to the aforesaid heirs of the other.

ARTICLE FOUR

Guardianship

Upon the death of the surviving Trustor, if Trustors' daughter, namely: Cassandra J. Bartlett born October 17, 2007 is under the age of eighteen (18) years, Trustors appoint Larry and Vivian E. Nielsen as guardian of the person of the minor child. If Larry and Vivian E. Nielsen are unable or unwilling to act, Trustors appoint Michael and Sara Hundshamer as guardian of the person of the minor child.

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

ARTICLE FIVE

Retention of Share(s) for Special Needs

In the event that any of our beneficiaries are receiving special benefit payments from any government agency, the Trustee shall retain **IN-TRUST** the share for each such beneficiary on the following terms and conditions.

Each such share of the Trust is to provide supplemental, not replacement, financial aid to the beneficiary government benefits. The Trustee shall hold, administer and distribute all property allocated to this beneficiary's trust as follows:

The Trustee, in his/her absolute discretion, shall pay to or for the beneficiary as much of the net income and principal as the trustee considers reasonably necessary for the beneficiary's health, education, support, comfort, welfare or happiness to maintain at a minimum the beneficiary's accustomed manner of living.

In making distributions, the Trustee (1) may consider any other income or resources of the beneficiary known to the Trustee and reasonably available; (2) may take into consideration all entitlement benefits from any governmental agency (such as social security, disability payments, Medicare, Medicaid, Medi-Cal, welfare, supplemental security income) and any other special purpose benefits: (3). may make expenditures to make the beneficiary's lifestyle comfortable and enjoyable (such as spending money, travel funds, payments for a companion, additional health care, personal luxuries, radios, television sets, money for gifts to friends and relatives); (4) shall not be obligated or compelled to make such payments; and (5) shall not pay or reimburse any amounts to any government entity.

In the event of the death of this beneficiary, or if the Trustee determines in the Trustee's absolute discretion that this trust may be subject to garnishment, attachment, execution or bankruptcy proceedings by a creditor, including any governmental agency, or if a court or governmental agency determines that this Trust disqualifies the beneficiary from any entitlement benefits; to avoid financial loss the Trustee, in the Trustee's absolute discretion may, and in the event of the beneficiary's death shall, distribute all of the remaining principal and income of this Trust in equal shares to the Trustors other named beneficiaries herein.

ARTICLE SIX

Payment Of Debts

Upon the death of either of the Trustors, the Trustee may pay from the deceased Trustor's share of the principal of the trust estate the amount of any estate or death taxes, by whatever name called, imposed under the laws of any jurisdiction by reason of either of the Trustors' deaths, whether in respect of property passing under this Agreement or either of the Trustors' Last Will and Testaments or otherwise, and the amount of all of the debts which the Trustors' estates must

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

pay, the expenses of their last illness and funerals, and the expenses of administering their estates. The Trustee may rely upon the written certification of the executors, administrators or legal representatives of either of the Trustors' estates as to the amount of any such tax, debt or expense, without any duty to inquire as to the correctness thereof, and, in its discretion, may make payment thereof either to said executors, administrators or legal representatives or to the taxing authority or person to whom such amount is owed.

ARTICLE SEVEN

Trustors' Right To Revoke Or Amend

During the lives of both of the Trustors, this Agreement may be revoked in whole or in part: with respect to community property, by a written notice signed by either Trustor and delivered to the Trustee and the other Trustor; and with respect to separate property, by a written notice signed by the Trustor who contributed that property and delivered to the Trustee. On revocation, the Trustee shall deliver to the Trustors all or the designated portion of the community property and shall deliver to the contributing Trustor all or the designated portion of the separate property. All community property delivered to the Trustors on revocation shall continue to be the community property of the Trustors and shall be held and administered as community property.

The Trustors, at any time during the lives of both of the Trustors, may amend this Agreement by a written notice signed by both of the Trustors and delivered to the Trustee. With regard to the separate property of either Trustor, only the Trustor who contributed such separate property may amend this Agreement with respect to such separate property. No amendment of this Agreement, however, shall increase the obligations or reduce the commissions of the Trustee without the consent of the Trustee.

Upon the death of either of the Trustors, this Agreement shall become irrevocable with respect to the property contributed by the deceased Trustor; however, the surviving Trustor may revoke this Agreement with respect to the property contributed by the surviving Trustor.

ARTICLE EIGHT

POWERS OF TRUSTEE

In the administration of any property, real or personal, at any time forming a part of the trust estate, including accumulated income, and in the administration of any trust created hereunder, the Trustee, in addition to and without limitation of the powers conferred on trustees under California Probate Code Section 16200 et seq., as amended or any successor thereto, or otherwise provided by law, shall have the following powers to be exercised in the absolute discretion of the Trustee, except as otherwise expressly provided in this Agreement:

(o) To carry insurance of the kinds and in the amounts which the Trustee considers advisable, at the expense of the trust estate, to protect the trust estate and the Trustee personally against any hazard;

(p) To make distribution of the trust estate or of the principal of any trust created hereunder in cash or in kind, or partly in kind, and to cause any distribution to be composed of cash, property or undivided fractional shares in property different in kind from any other distribution, and to determine the fair valuation of the property so allocated, with or without regard to the tax basis; to hold the principal of separate trusts in a consolidated fund and to invest the same as a single fund; to split trusts for purposes of allocating GST exemptions (within the meaning of Section 2642(a) of the Internal Revenue Code); and to merge any trusts which have substantially identical terms and beneficiaries, and to hold them as a single trust;

(q) To employ and pay the compensation of accountants, attorneys, experts, investment counselors, custodians, agents and other persons or firms providing services or advice, irrespective of whether the Trustee may be associated therewith; to delegate discretionary powers to such persons or firms; and to rely upon information or advice furnished thereby or to ignore the same, as the Trustee in its discretion may determine;

(r) To execute and deliver any and all instruments or writings which it may deem advisable to carry out any of the foregoing powers; and

(s) To exercise all such rights and powers and to do all such acts and enter into all such agreements as persons owning similar property in their own right might lawfully exercise, do or enter into.

Except as otherwise provided herein, the Trustee may determine, when there is reasonable doubt or uncertainty as to the applicable law or the relevant facts, which receipts of money or other assets should be credited to income or principal, and which disbursements, commissions, assessments, fees and other expenses should be charged to income or principal. Administrative expenses may be allocated to income provided that no allocation of administrative expenses shall be made to income that would require a reduction in the estate tax marital deduction pursuant to Section 2056(b)(4) of the Internal Revenue Code. Any distributions or dividends payable in the stock of a corporation, and rights to subscribe to securities or rights other than cash declared or issued by a corporation, shall be dealt with as principal. The proceeds from the sale, redemption or other disposition, whether at a profit or loss, and regardless of the tax treatment thereof, of any property constituting principal, including mortgages or similar instruments and real estate acquired through foreclosure or otherwise, shall normally be dealt with as principal, but the Trustee may allocate a portion of any such proceeds to income if the property disposed of produced no income or substantially less than the current rate of return on trust investments, or if the Trustee shall deem such action advisable for any other reason. The preceding provisions of this paragraph shall not be deemed to authorize any act by the Trustee which may be a violation of any law prohibiting the accumulation of income.

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

No person who deals with any Trustee hereunder shall be bound to see to the application of any asset delivered to such Trustee or to inquire into the authority for, or propriety of, any action taken or not taken by such Trustee.

Notwithstanding anything to the contrary contained herein, in case of the Marital Deduction Trust, none of the powers granted to the Trustee herein or by law shall be exercised in such a manner as to disqualify such trust or any part thereof from the marital deduction.

Notwithstanding anything to the contrary contained herein, during such time as any current or possible future beneficiary of any trust created hereunder (other than the Trustors during the lives of both of the Trustors or the surviving Trustor with respect to Share A) may be acting as a Trustee hereunder, such person shall be disqualified from exercising any power to make any discretionary distributions of income or principal to himself or herself (unless the discretion to make such distributions is limited by an ascertainable standard within the meaning of Section 2041(b)(1)(A) of the Internal Revenue Code), or to satisfy any of his or her legal obligations, or to make discretionary allocations of receipts or disbursements as between income and principal. No Trustee who is a current or possible future beneficiary of any trust hereunder (other than the Trustors during the lives of both of the Trustors or the surviving Trustor with respect to Share A) shall participate in the exercise of any powers of the Trustee which would cause such beneficiary to be treated as the owner of trust assets for tax purposes.

No Trustee shall be liable for acts or omissions in administering the Trust Estate or any Trust created by this Agreement, except for that Trustee's own actual fraud, gross negligence or willful misconduct. If any Trustee becomes liable as Trustee to any other person who is not a beneficiary in connection with any matter not within the Trustee's control and not due to the Trustee's actual fraud, gross negligence or willful misconduct, such Trustee shall be fully indemnified and held harmless by the trust estate and any trust created hereunder giving rise to such liability, as the case may be, against and in respect of any damages that such Trustee may sustain, including without limitation attorneys' fees. No successor Trustee shall incur any liability, by reason of qualifying as a Trustee hereunder, for the acts or omissions of any predecessor Trustee.

The Trustee is authorized, but not required, to accept any property transferred to the Trustee by any person during such person's lifetime or by such person's Last Will and Testament. Any property so transferred to, and accepted by, the Trustee shall become a part of such trust or trusts created by this Agreement as such person shall direct and may be commingled with the other property in the trust or trusts to which such property has been added and shall be held, administered and disposed of as a part of such trust or trusts.

ARTICLE NINE

Appointment Of Trustee

The Trustors appoint Successor Trustee(s) in the following order of succession:

(a) The undersigned Trustors, CARL BARTLETT and JEANNIE MARIE BARTLETT;

(b) Upon the death, resignation or incapacity of either Trustor, the surviving Trustor shall act as sole Trustee and carry out the terms and provisions of this Trust Agreement as set forth herein.

(c) In the event of the death, resignation or incapacity of the surviving Trustor or the resignation or incapacity of both Trustors, the Trustors hereby appoint Sara Hundshamer as Temporary Successor Trustee until Cassandra J. Bartlett attains the age of eighteen (18) years and appoint Cassandra J. Bartlett upon attaining the age of eighteen (18) years as sole successor Trustee hereunder.

(d) A Trustee chosen by the majority of beneficiaries, with a parent or legal guardian voting for minor beneficiaries; provided, however, that the issue of any deceased beneficiary shall collectively have only one vote.

Where a signature is required in order to exercise any powers conferred on the Trustees hereunder or by applicable law, the signature of any one Trustee may be relied upon by any third party as sufficient and binding.

The term "Trustee" wherever used herein shall mean the trustee or trustees in office from time to time. Any such trustee shall have the same rights, powers, duties, authority and privileges, whether or not discretionary, as if originally appointed hereunder.

No bond, surety or other security shall be required of any Trustee acting hereunder for the faithful performance of the duties of Trustee, notwithstanding any law of any State or other jurisdiction to the contrary.

ARTICLE TEN

Accounts Of Trustee

The Trustee, at any time and from time to time, may render to the Trustors an account of the acts and transactions of the Trustee with respect to the income and principal of any trust created hereunder, from the date of the creation of such trust or from the date of the last previous account of the Trustee. After the death of the Trustors, the Trustee, at any time and from time to time, may render an account to the living person or persons who are entitled, at the time of such account, to receive all or a portion of the income of the trusts herein created. The approval of any

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

person of full age, or a guardian or parent of a minor or incompetent person, to whom an account is rendered shall, as to all matters stated therein, be final and binding upon him or such minor or incompetent person, or any persons claiming through him or such minor or incompetent person, as the case may be. A person of full age, or a guardian or parent of a minor or incompetent person, to whom an account is rendered shall be deemed to have approved the account if he assents to the account in writing or if he does not communicate to the Trustee his written objections to the account within sixty days after the receipt of the account (provided the account was accompanied by a notice of said sixty day period within which to raise objections).

The Trustors shall have full power and authority on behalf of all persons interested in any trust hereunder, whether such interest relates to income or principal, to settle any account of the Trustee. Such settlement shall be final and binding upon all persons so interested in such trust. Upon such settlement, the Trustee shall be fully and completely discharged and released from all further liability with respect to acts and transactions set forth in the account so settled.

The Trustee shall not be required at any time to file any account in any court, nor shall the Trustee be required to have any account judicially settled. Nothing herein, however, shall be construed as limiting the right of the Trustee to seek a judicial settlement of any account.

ARTICLE ELEVEN

Decisions Of Trustee Are Conclusive

The determination of the Trustee in respect of the amount of any discretionary payment of income or principal from any trust established hereunder, and of the advisability thereof, shall be final and conclusive on all persons, whether or not then in being, having or claiming any interest in such trust, and upon making any such payment, the Trustee shall be released fully from all further liability or accountability therefor.

The right of any beneficiary to any payment of income or principal shall in every case be subject to any charge or deduction which the Trustee may make against the same under the authority granted to the Trustee by any law or by this Agreement.

ARTICLE TWELVE

No Contest

If any beneficiary under this Agreement, alone or in conjunction with any other person or persons, contests, directly or indirectly, as defined in California Probate Code §21300(b) and (c) in any court the validity of this Agreement, any trust created hereunder, the Last Will and Testament of either of the Trustors or any provision thereof, or seeks to obtain an adjudication in any proceeding in any court that this Agreement, any trust created hereunder, the Last Will and Testament of either of the Trustors or any provision thereof is void, or otherwise seeks to void,

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

nullify or set aside any of the foregoing, then that person's right to take any interest given to him or her by this Agreement shall be determined as if such person had predeceased the execution of this Agreement without surviving issue. The provisions of this Article shall not apply to any disclaimer by any person of any benefit under this Agreement or under any Will.

The Trustee may defend, at the expense of the trust estate, any contest or other attack of any nature on this Agreement, any trusts created hereunder or any provision thereof.

ARTICLE THIRTEEN

Simultaneous Death

If the Trustors die under circumstances in which the order of their deaths cannot be established by clear and convincing evidence, each Trustor shall be deemed to have survived the other, and this instrument shall be construed accordingly. If any beneficiary and either or both Trustors die under circumstances in which the order of their deaths cannot be established by clear and convincing evidence, the Trustor or Trustors shall be deemed to have survived the beneficiary, and this instrument shall be construed accordingly.

ARTICLE FOURTEEN

Rights Of Beneficiaries Are Not Assignable

No disposition, charge or encumbrance on the income or principal of any trust established hereunder shall be valid or binding upon the Trustee. No beneficiary shall have any right, power or authority to assign, transfer, encumber or otherwise dispose of such income or principal or any part thereof until the same shall be paid to such beneficiary by the Trustee. No income or principal shall be subject in any manner to any claim of any creditor of any beneficiary or liable to attachment, execution or other process of law prior to its actual receipt by the beneficiary.

ARTICLE FIFTEEN

Community and Separate Property

All community property transferred to the Trustee pursuant to this Agreement, the income therefor and the proceeds from the sale thereof shall retain its character as such, notwithstanding the transfer to the Trustee. Any power reserved to the Trustors to alter, amend, modify or revoke this Agreement, in whole or in part, is held by the Trustors during their joint lifetimes in their capacity as managers of the community property, subject to all restrictions imposed by law on their management of community property. In no event shall the powers granted to the Trustee under this Agreement during the joint lifetimes of the Trustors be more extensive than those powers possessed by a husband and wife under Sections 1100 and 1102 of the California Family Code. Any community property returned to either of the Trustors, whether due to a revocation,

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

withdrawal or other distribution, shall remain the community property of the Trustors and not the separate property of either Trustor.

Similarly, all quasi-community property or separate property of either Trustor, the income therefor and the proceeds from the sale thereof shall retain its character as quasi-community property or separate property during the joint lifetimes of the Trustors, unless the property was on or before its transfer described as community property.

For purposes of this Agreement, co-called "quasi-community property" shall be deemed to be the separate property of the Trustor who contributed it, rather than community property. Treatment of quasi-community property as separate property for purposes of this Agreement, however, shall not convert such quasi-community property into true separate property. The separate property of each Trustor and the community property shall be accounted for separately by the Trustee.

ARTICLE SIXTEEN

Construction

The validity and construction of this Agreement and the trusts created hereunder shall be governed by the laws of the State of California. Notwithstanding the foregoing, validity and construction of this Agreement and any trust created hereunder with respect to any real property located in any jurisdiction outside of the State of California shall be governed by the laws of such jurisdiction.

Any provision herein which refers to a statute, rule, regulation or other specific legal reference which is no longer in effect at the time said provision is to be applied shall be deemed to refer to the successor, replacement or amendment to such statute, rule, regulation or other reference, if any, and shall be interpreted in such a manner so as to carry out the original intent of said provision.

For purposes of this Agreement, the incapacity of an individual (including either of the Trustors or any Trustee) shall be conclusively established by written statements signed by two licensed physician and filed with the records of any trust established hereunder attesting that, in such physicians' opinion, such individual is unable to manage his or her affairs. Such written statements shall be conclusive evidence of such fact, and any third party may rely on same in dealing with any trust established hereunder and shall not be obliged to inquire whether such individual is no longer under such disability or incapacity at the time of such dealings.

Wherever used in this Agreement and the context so requires, the masculine shall include the feminine and the singular shall include the plural, and vice versa.

The captions in this Agreement are for convenience of reference, and they shall not be considered when construing this Agreement.

Attachment: C. EP 203-246 Claim_Global-JeannieMarieBartlett (2370 : EP 203-246)

If under any of the provisions of this Agreement any portion of the trust estate would be held in trust beyond a date twenty-one years after the death of the last survivor of the Trustors and the issue of the Trustors and other beneficiaries hereunder in being when this Agreement becomes irrevocable; then, upon such date, the trust of such portion shall terminate and the principal, and any unpaid income thereof, shall be paid and distributed to the person or persons then living who would have been entitled to receive the income therefrom had the trust continued, in the proportions to which they would have been so entitled.

ARTICLE SEVENTEEN

Binding Effect

This Agreement shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the undersigned Trustors and upon the Trustee acting hereunder.

ARTICLE EIGHTEEN

Trust Name

This Agreement and the trusts created hereunder may be referred to, in any other instrument, by the name: The Carl Bartlett and Jeannie Marie Bartlett Family Trust. Any transfers to this Agreement or any trust hereunder may refer to the aforesaid name or to Carl Bartlett and Jeannie Marie Bartlett as Trustees under The Carl Bartlett and Jeannie Marie Bartlett Family Trust, with or without specifying any change in Trustee or any amendment to this Agreement.

The Trustors certify that they have read this Agreement and that it correctly states the terms and conditions under which the trust estate is to be held, managed and disposed by the Trustee.

IN WITNESS WHEREOF, this Agreement has been duly executed as of the date first above written.

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPERTY

Assessment No.: 379272004-2 Item: 247
Situs Address: 31772 Via Valdez Lake Elsinore 92530
Assessee: Hawley, Suzanne M
Date Sold: May 5, 2015
Date Deed to Purchaser Recorded: June 18, 2015
Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

BACKGROUND:

Summary

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the May 5, 2015 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 18, 2015. Further, as required by Section 4676 of the California Revenue and Taxation Code, notice of the right to claim excess proceeds was given on July 22, 2015, to parties of interest as defined in Section 4675 of said code. Parties of interest have been determined by an examination of lot book reports as well as Assessor's and Recorder's records, and various research methods were used to obtain current mailing addresses for these parties of interest.

C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 18, 2015.

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from Erich D. Bachmann and Mona Z. Bachmann based on a Trustee's Deed Upon Sale recorded March 8, 2013 as Instrument No. 2013-0115014.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that Erich D. Bachmann and Mona Z. Bachmann be awarded excess proceeds in the amount of $30,970.66. Since there are no other claimants for John D. Carter and Alice P. Carter, Co-Trustees' portion of excess proceeds, the unclaimed excess proceeds in the amount of $38,714.01 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

Impact on Residents and Businesses

Excess proceeds are being released to the last assessee and transferred to the county general fund.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

NOTE SECURED BY A DEED OF TRUST

Loan Number: **W28118** Date: **Wednesday, May 21, 2008** **Long Beach**, California

19957 Hansen Avenue
Nuevo CA 92567
Property Address

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. **$180,000.00** (this amount will be called "principal"), plus interest, to the order of **Erich D. Bachmann and Mona Z. Bachmann, husband and wife as joint tenants, as to an undivided 44.444% interest; AND, John D. Carter and Alice P. Carter, Co-Trustees of the John D. Carter and Alice P. Carter Trust, Under Declaration of Trust dated April 23, 2008 as to an undivided 55.556% interest,** (who will be called "Lender"). I understand that the Lender may transfer this Note. The Lender or anyone else who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder(s)."

2. INTEREST

I will pay interest at a yearly rate as described in paragraph 3 below.

Interest commences on **DATE OF FUNDING**, and, if paragraph 3 reflects more than one interest rate during the loan term, the rate will change on the date which is one (1) calendar month before each Payment Start Date.

Interest will be charged on unpaid principal until the full amount of principal has been paid.

I also agree to pay interest at the rate described in paragraph 3 below on the prepaid finance charges which are a part of the principal.

3. PAYMENTS

My payments are [ ] Interest Only [X] Fully Amortized [ ] Other

I will make my payments each month as follows:

Number of Payments	Payment Start Dates	Interest Rate	Payment Amounts
239	Starting July 1, 2008	11.500%	$1,919.57
1	Starting June 1, 2028	11.500%	$1,922.66

I will make these payments until I have paid all of the principal and interest and any other charges that I may owe under this Note. If on **Thursday, June 01, 2028** (the Due Date) I still owe amounts under this Note (balloon balance), I will pay all those amounts, in full, on that date.

I will make my payments payable to **Westberg Investment Corporation, 6700 E. Pacific Coast Hwy., #140, Long Beach, CA 90803**, or at a different place if I am notified by the Note Holder or the Agent for the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge For Overdue Payments. If I do not pay the full amount of each monthly payment by the end of ten calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **10.00%** of my overdue payment or U.S. $5.00, which ever is more. I will pay this late charge only once on any late payment.

In the event a balloon payment is delinquent more than 10 days after the date it is due, I agree to pay a late charge in an amount equal to the maximum late charge that could have been assessed with respect to the largest single monthly installment previously due, other than the balloon payment, multiplied by the sum of one plus the number of months occurring since the late payment charge began to accrue.

(B) Default. If I do not pay the full amount of each monthly payment due under this Note by the date stated in paragraph 3 above, I will be in default, and the Note Holder may demand that I pay immediately all amounts that I owe under this Note.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(C) Payment of Note Holder's Costs and Expenses. If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back for all its costs and expenses to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees. A default upon any interest of any Note Holder shall be a default upon all interests.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE - PREPAYMENT PENALTIES

Attachment: A. EP 203-264 Claim_Bachmann (2047 : EP 203-264)

I waive my rights to require the Note Holder to do certain things. Those things are: (a) to demand payment of amounts due (known as "presentment"); (b) to give notice that amounts due have not been paid (known as "notice of dishonor"); (c) to obtain an official certification of nonpayment (known as "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else, also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. RESPONSIBILITIES OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to keep all of the promises made in this Note , including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of the guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that anyone of us may be required to pay all of the amounts owed under this Note.

8. THIS NOTE IS SECURED BY A DEED OF TRUST

In addition to the protection given to the Note Holder under this Note, a Deed of Trust (the "Security Instrument") with a Due-on-Transfer Clause dated the same date of this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in the Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note.

Some of those conditions are described as follows:

"Lender's Right to Require The Loan to be Paid Off Immediately. If the borrower shall sell, enter into a contract of sale, lease for a term of more than 6-years (including options to renew), lease with an option to purchase for any term, or transfer all or any part of the Property or an interest therein, excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) or a transfer by devise, descent, or by operation of law upon the death of a joint tenant, the Lender may, at its option declare the Note and any other obligations secured by this Deed of Trust, together with accrued interest thereon, immediately due and payable, in full. No waiver of the Lender's right to accelerate shall be effective unless it is in writing."

Attachment: A. EP 203-264 Claim_Bachmann (2047 : EP 203-264)

1. Payments of Principal and/or Interest. Borrower shall promptly pay, when due, the principal of and/or interest on the indebtedness evidenced by the Note, prepayment and late charges as provided in the Note, and the principal of and/or interest on any Future Advances secured by the Deed of Trust.

2. Funds for Taxes and Insurance (Impounds). Subject to applicable law, and if required by the Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Deed of Trust, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional Lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Deed of Trust that interest on the Funds shall be paid to Borrower, and unless such an agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, if applicable, then to interest payable on the Note, then to the principal of the Note, and then to interest and principal on any Future Advances.

4. Prior Mortgages and Deeds of Trust; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid, at least 10 days before delinquency, all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.

5. Hazard Insurance. Borrower agrees to provide, maintain and deliver to Lender fire insurance satisfactory and with loss payable to Lender. The amount collected under any fire or other insurance policy may be applied by Lender upon any indebtedness secured hereby and in such order as Lender may determine, or at option of Lender the entire amount so collected or any part thereof may be released to the Borrower. Such application or release shall not cure or waive any Default or Notice of Default hereunder or invalidate any act done pursuant to such notice.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of a loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply their insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

If Borrower obtains earthquake, flood or any other hazard insurance, or any other insurance on the Property, and such insurance is not specifically required by the Lender, then such insurance shall: (i) name the Lender as loss payee thereunder, and (ii) be subject to all of the provisions of this paragraph 5.

Attachment: A. EP 203-264 Claim_Bachmann (2047 : EP 203-264)

Protection and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration of covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which affects Lender's interest in the Property, including but not limited to proceedings by the Lender to obtain relief from stay in any bankruptcy proceeding which would prohibit Lender enforcing its rights under the Deed of Trust, then Lender, at Lender's option, may make such appearances, disburse such sums, including reasonable attorney's fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, including but not limited to payment of delinquent taxes and assessments, insurance premiums due, and delinquent amounts owed to prior lien holders, shall become additional indebtedness of Borrower secured by this Deed of Trust . Such amounts as are disbursed by Lender shall be payable, upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable on the Note. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. Inspection. Lender may make or cause to be made reasonable entries upon and inspection of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefore related to Lender's interest in the Property.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in conjunction with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

10. Borrower Not Released. At any time or from time to time, without liability therefore and without notice upon written request of Lender and presentation of this Deed and said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge thereof. Trustee may, but shall be under no obligation or duty to, appear in or defend any action or proceeding purporting to affect said property or the title thereto, or purporting to affect the security hereof or the rights or powers of Lender or Trustee.

11. Forbearance by Lender Not a Waiver. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

12. Remedies Cumulative. All remedies provided in this Deed of Trust are distinct and cumulative to any other or remedy under this Deed of Trust or afforded by law or equity, and may be exercised concurrently, independently or successively.

13. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18 hereof. All covenants and agreements of Borrower shall be joint and several.

14. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower or the Property at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender, in care of Lender's Servicing Agent ("Agent"), **Westberg Investment Corporation, 6700 E. Pacific Coast Hwy., #140, Long Beach, CA 90803** or to such other address as Lender or Agent may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

15. This Deed of Trust shall be governed by the Laws of the State of California. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not effect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Deed of Trust are declared to be severable.

16. Lender's Right to Require The Loan to be Paid Off Immediately. If the Borrower shall sell, enter into a contract of sale, lease for a term of more than 6-years (including options to renew), lease with an option to purchase for any term, or transfer all or any part of the Property or an interest therein, excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) or a transfer by devise, descent, or by operation of law upon the death of a joint tenant, the Lender may, at its option declare the Note and any other obligations secured by this Deed of Trust, together with accrued interest thereon, immediately due and payable, in full. hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 17 hereof.

BORROWER AND LENDER FURTHER COVENANT AND AGREE AS FOLLOWS:

17. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security hereunder, and without regard to the adequacy of any security for the indebtedness hereby secured, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 18 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 18 hereof or abandonment of the Property, Lender, in person, by Agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

18. Upon default by Borrower in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Lender may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written Notice of Default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Trustee shall be entitled to rely upon the correctness of such notice. Lender also shall deposit with Trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as then may be required by law following the recordation of said Notice of Default and Notice of Sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said Notice of Sale, either as a whole or in separate parcels and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which said property, if consisting of several lots or parcels, shall be sold), at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property to sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of; all sums expended under the terms hereof, not then repaid, with accrued interest at the rate prescribed in the Note; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

19. Future Advances. Upon request of Borrower, Lender, at Lender's option prior to full reconveyance of the Property by Trustee to Borrower, may make Future Advances to Borrower. Such advances with interest thereon, shall be secured by this Deed of Trust when evidenced by promissory notes stating that said notes are secured hereby.

20. Reconveyance. Upon written request of Lender stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." The Trustee may destroy said Note, this Deed or Trust (and any other documents related thereto) upon the first to occur of the following: 5 years after issuance of a full reconveyance; or, recordation of the Note and Deed of Trust in a form or medium which permits their reproduction for 5 years following issuance of a full reconveyance.

21. Substitution of Trustee. Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.

22. Request for Notices. Borrower requests that copies of the notice of sale and notice of default be sent to Borrower's address which is the Property Address.

23. Statement of Obligation. Lender may collect a fee, not to exceed the maximum amount permitted by law, for furnishing the statement of obligations as provided by Section 2943 of the Civil Code of California.

MISCELLANEOUS PROVISIONS

24. Construction or Home Improvement Loan. If the loan secured by this Deed of Trust is a construction or home improvement loan, Borrower is required to perform according to the terms and conditions of each agreement contained in any building, home improvement or similar agreement between the Borrower and Lender.

25. Acceptance by Lender of a Partial Payment After Notice of Default. By accepting partial payment (payments which do not satisfy a default or delinquency in full) of any sums secured by this Deed of Trust after a Notice of Default has been recorded, or by

acc[illegible] of any obligation secured by this Deed of Trust, or by adding any payment so made to the loan secured by this Deed of Trust, whether or not such payments are made pursuant to a court order, the Lender does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure to make any such prompt payment or to perform any such act. No exercise of any right or remedy of the Lender or Trustee under this Deed of Trust shall constitute a waiver of any other right or remedy contained in this Deed of Trust or provided by law.

Assessee: Tomson, Timothy N
Date Sold: May 5, 2015
Date Deed to Purchaser Recorded: June 18, 2015
Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Assessment No.: 449300005-1 Item: 342
Situs Address: 41035 Sunset Ln Hemet 92544
Assessee: Tomson, Timothy N
Date Sold: May 5, 2015
Date Deed to Purchaser Recorded: June 18, 2015
Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act 12 U.S.C. Sec. 461(b)(1)(A), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 or 18671 is liable for those amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Section 461 (b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any monies held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those monies to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

(b) In the case of a deposit account or accounts for which this notice to withhold applies, the depository institution shall send a notice by first-class mail to each person named on the account or accounts included in the notice from the Franchise Tax Board, provided a current address for each person is available to the institution. This notice shall inform each person as to the reason for the hold placed on the account or accounts, the amount subject to being withheld and the date by which this amount is to be remitted to the Franchise Tax Board. You should determine the amount withheld by the addressee and, if it is less than the amount due, you should forward payment of the remaining unpaid balance immediately to avoid further collection action. Please make your check or money order payable to the FRANCHISE TAX BOARD, attach it to this notice, and mail it to the Franchise Tax Board office shown at the top of this page.

EXCERPTS FROM CALIFORNIA REVENUE AND TAXATION CODE

18670. NOTICE TO WITHHOLD, HOW SERVED

(a) The Franchise Tax Board may by notice, served personally or by first-class mail, require any employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter, or a political body not a subdivision or agency of the state, having in their possession, or under their control, any credits or other personal property or other things of value, belonging to a taxpayer or to an employer or person who has failed to withhold and transmit amounts due pursuant to this article, to withhold, from the credits or other personal property or other things of value, the amount of any tax, interest, or penalties due from the taxpayer or the amount of any liability incurred by that employer or person for failure to withhold and transmit amounts due from a taxpayer under this part and to transmit the amount withheld to the Franchise Tax Board at the times that it may designate. However, in the case of a depository institution, as defined in Section 19(b) of the Federal Reserve Act (12 U.S.C.A. Sec. 461(b)(1) (A)), amounts due from a taxpayer under this part shall be transmitted to the Franchise Tax Board not less than 10 business days from receipt of the notice. To be effective, the notice shall state the amount due from the taxpayer and shall be delivered or mailed to the branch or office reported in information returns filed with the Franchise Tax Board, or the branch or office where the credits or other property is held, unless another branch or office is designated by the employer, person, officer or department of the state, political subdivision or agency of the state, including the Regents of the University of California, a city organized under a freeholders' charter or a political body not a subdivision or agency of the state.

(b) (1) At least 45 days before sending a notice to withhold to the address indicated on the information return, the Franchise Tax Board shall request a depository institution to do either of the following:

(A) Verify that the address on its information return is its designated address for receiving notices to withhold.

(B) Provide the Franchise Tax Board with a designated address for receiving notices to withhold.

(2) Once the depository institution has specified a designated address pursuant to paragraph (1), the Franchise Tax Board shall send all notices to that address unless the depository institution provides notification of another address. The Franchise Tax Board shall send all notices to withhold to a new designated address 30 days after notification.

(3) Failure to verify or provide a designated address within 30 days of receiving the request shall be deemed verification of the address on the information return as the depository institution's designated address.

(c) Any corporation or person failing to withhold the amounts due from any taxpayer and transmit them to the Franchise Tax Board after service of the notice shall be liable for those amounts. However, in the case of a depository institution, if a notice to withhold is mailed to the branch where the account is located or principal banking office, the depository institution shall be liable for a failure to withhold only to the extent that the accounts can be identified in information normally maintained at that location in the ordinary course of business.

18672. FAILURE TO WITHHOLD, LIABILITY

Any employer or person failing to withhold the amount due from any taxpayer and to transmit the same to the Franchise Tax Board after service of a notice pursuant to Section 18670 is liable for such amounts.

18674. WITHHOLD AGENT, MUST PAY WITHOUT RESORTING TO ACTION

(a) Any employer or person required to withhold and transmit any amount pursuant to this article shall comply with the requirement without resort to any legal or equitable action in a court of law or equity. Any employer or person paying to the Franchise Tax Board any amount required by it to be withheld is not liable therefor to the person from whom withheld unless the amount withheld is refunded to the withholding agent. However, if a depository institution, as defined in 12 U.S.C. Sec. 461(b)(1)(A) withholds and pays to the Franchise Tax Board pursuant to this article any moneys held in a deposit account in which the delinquent taxpayer and another person or persons have an interest, or in an account held in the name of a third party or parties in which the delinquent taxpayer is ultimately determined to have no interest, the depository institution paying those moneys to the Franchise Tax Board is not liable therefor to any of the persons who have an interest in the account, unless the amount withheld is refunded to the withholding agent.

(b) In the case of a deposit account or accounts for which this notice to withhold applies, the depository institution shall send a notice by first-class mail to each person named on the account or accounts included in the notice from the Franchise Tax Board, provided that a current address for each person is available to the institution. This notice shall inform each person as to the reason for the hold placed on the account or accounts, the amount subject to being withheld, and the date by which this amount is to be remitted to the Franchise Tax Board. An institution may assess the account or accounts of each person receiving this notice a reasonable service charge not to exceed three dollars ($3).

Good Morning-

I was reviewing the attachment that you sent and it states that only $4,399.61 is due, but is that in addition to the original balance owed of $32,939.60? Our request for an updated statement is just to confirm that no payments have been made and if there have been, what is the current total amount due? Would you please send me an email verifying the total amount due to the Franchise Tax Board?

Jennifer,

Attached is the updated balance for Timothy Tomson's Order to Withhold. We do not update our claim balance as we are only entitled to the balance due as of the date of the sale on balances secured by a recorded state tax lien.

Let me know if you need anything further.

Thanks!

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

SECOND: It is my intention to dispose of all property which I am entitled to dispose of by Will.

Attachment: A. EP 203-434 Claim_McAndrews (2052 : EP 203-434)

FOURTH: I give, devise and bequeath all of my personal property not previously assigned by me or my representative to any other Trust, all of the residue of my estate, except as described herein to WILLIAM L. MC ANDREWS, Trustee, or his successors in Trust, under THE WILLIAM A. MC ANDREWS SEPARATE PROPERTY TRUST dated 11-17-06, and any amendments thereto, wherein I am the Grantor, to be added to, and become a part of, the corpus of said Revocable Living Trust, and to be held, administered, and distributed according to the terms and conditions thereof, and any amendments thereto. I give, devise and bequeath the residue of my assets that may be listed in the Schedule of Assets of another Trust, described in the corpus of another Trust, or titled in the name of another Trust, to the Trustee of the Trust in which that asset is listed, described, or titled to pass according to the provisions of that Trust. Should any conflict arise as to any of my assets, then the conflict shall be decided in favor of the most recently executed Trust or amendment which specifically describes the asset that is the subject of the conflict.

FIFTH: I hereby nominate and appoint WILLIAM L. MC ANDREWS as Executor of this my Last Will and Testament. Upon the death, resignation, or inability of WILLIAM L. MC ANDREWS to serve as Executor, then KIM I. VEIL shall serve as Executor of this, my Last Will and Testament. Upon the death, resignation or inability of KIM I. my estate, subject to such confirmation as may be required by law, and to hold, manage, and operate any such property or business at the risk of my estate, or to sell or liquidate the business at such time and on such terms as my Executor or Executrix may deem advisable for the best interest of my estate. Any such operation, sale, or liquidation by my Executor or Executrix made in good faith shall be at the risk of my estate and without liability on the part of my Executor or Executrix for any resulting loss.

SIXTH: My Executor or Executrix shall determine, in a manner which would minimize taxes, whether any or all expenses of administration of my estate shall be used as Federal income tax deductions, and whether the date of death or the alternate valuation values should be used for estate tax purposes. No beneficiary under this Will, whether an income beneficiary, a remainderman of any Trust or other beneficiary, shall have any right to recoupment or restoration of any losses the beneficiary suffers as the result of the use of such deduction for one or the other of such purposes.

SEVENTH: I direct that all inheritance, estate, gift, death, or other transfer taxes, including any penalties or interest relating thereto, other than any tax on a generation skipping transfer that is not a liability of my estate (including interest and penalties, if any), that may, by reason of my death, be attributable to my probate estate or any portion of it, or to any property or transfers of property outside my probate estate, shall be paid by my Executor or Executrix out of the residue of my estate disposed of by this Will, without adjustment among the residuary beneficiaries, and shall not be charged against, or collected from, any beneficiary of my probate estate, or from any transferee or beneficiary of any property outside my probate estate.

EIGHTH: If any individual should claim to be a beneficiary under this Will and in any manner, directly or indirectly, contests or attacks this Will or any of its provisions, any share or interest in my

estate allegedly given to that contesting individual is revoked and that person shall be considered specifically disinherited and the beneficial interest in any assets of the beneficiary shall be disposed of in the same manner provided herein as if that contesting individual shall have predeceased me.

NINTH: The terms "child," "children," "grandchildren," or "issue," as used herein, shall include adopted persons and other children hereafter born or adopted by me or by my issue.

TENTH: If any provision of this Will is deemed to be unenforceable, the remaining provisions shall nevertheless be carried into effect. The construction and interpretation of this Will shall be pursuant to California law in effect as of the date of execution thereof. The singular shall include the plural wherever necessary, and one gender shall include any other gender wherever necessary.

ELEVENTH: To save the cost of court proceedings and promote the prompt and final resolution of any dispute regarding the interpretation of my will or the administration of my estate or any trust under my will, I direct that any such dispute shall be settled by arbitration administered by the American Arbitration Association under its Arbitration Rules for Wills and Trusts then in effect. Nevertheless, the following matters shall not be subject to arbitration: 1) questions regarding my competency, 2) attempts to remove a fiduciary, or 3) questions concerning the amount of bond of a fiduciary. In addition, arbitration may be waived by all sui juris parties in interest.

The arbitrator(s) shall be a practicing lawyer licensed to practice law in the same state as the body of state law chosen to govern my will and whose practice has been devoted primarily to wills and trusts for at least ten (10) years. The arbitrator(s) shall apply the substantive law (and the law of remedies, if applicable) of the state chosen to govern my will. The arbitrator's decision shall not be subject to appeal to any court, but shall be final and binding on any and all persons who have or may have an interest in my estate or any trust under my will, including unborn or incapacitated persons,

such as minors or incompetents. Judgment on the arbitrator's award may be entered in any court having jurisdiction thereof.

TWELFTH: It is my intent to disinherit and I have intentionally omitted to provide for, in this, my Last Will and Testament, CHARLES E. ARMSTRONG.

I SUBSCRIBE MY NAME to this Will on 11-17-06 at Riverside County, California.

Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

I/We, pursuant to Revenue and Taxation Code Section 4675, hereby claim excess proceeds in the amount of $ 12,824.85 from the sale of the above mentioned real property. I/We were the ☒ lienholder(s), ☒ property owner(s) **[check in one box]** at the time of the sale of the property as is evidenced by Riverside County Recorder's Document No. 2-50596 ; recorded on MARCH 14, 2007 A copy of this document is attached hereto. I/We are the rightful claimants by virtue of the attached assignment of interest. I/We have listed below and attached hereto each item of documentation supporting the claim submitted.

NOTE: YOUR CLAIM WILL NOT BE CONSIDERED UNLESS THE DOCUMENTATION IS ATTACHED.

We, the below listed Claimants, are the sole successors of Jackie N. Hewett. The enclosed documents show proof of this, as well as, the secured Deed of trust 73251 Pine Valley Dr. Harriet J. Piercy defaulted on her NOTE, the enclosed Deed of trust and we feel that all excess proceeds should be legally distributed to Todd Hewett and Kimberly Harnett.

If the property is held in Joint Tenancy, the taxsale process has severed this Joint Tenancy, and all Joint Tenants will have to sign the claim unless the claimant submits proof that he or she is entitled to the full amount of the claim, the claimant may only receive his or her respective portion of the claim.

I/We affirm under penalty of perjury that the foregoing is true and correct.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust, recorded in each county in California, as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgement of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount called for in the note secured hereby, or at the amount allowed by law at date of expenditure, whichever is greater and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in this same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee is such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them.)

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable, Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in

separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, insures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so required, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or Proceeding in which Trustor, Beneficiary or Trustee shall be party unless brought by Trustee.

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgement of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount called for in the note secured hereby, or at the amount allowed by law at date of expenditure, whichever is greater and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in this same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them.)

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in

separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so required, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or Proceeding in which Trustor, Beneficiary or Trustee shall be party unless brought by Trustee.

I/We, pursuant to Revenue and Taxation Code Section 4675, hereby claim excess proceeds in the amount of $ 12,824.85 from the sale of the above mentioned real property. I/We were the ☒ lienholder(s), ☒ property owner(s) **[check in one box]** at the time of the sale of the property as is evidenced by Riverside County Recorder's Document No. 2-50596 ; recorded on MARCH 14, 2007 A copy of this document is attached hereto. I/We are the rightful claimants by virtue of the attached assignment of interest. I/We have listed below and attached hereto each item of documentation supporting the claim submitted.

NOTE: YOUR CLAIM WILL NOT BE CONSIDERED UNLESS THE DOCUMENTATION IS ATTACHED.

We, the below listed Claimants, are the sole successors of Jackie N. Hewett. The enclosed documents show proof of this, as well as, the secured Deed of trust 73251 Pine Valley Dr. Harriet J. Piercy defaulted on her NOTE, the enclosed Deed of trust and we feel that all excess proceeds should be legally distributed to Todd Hewett and Kimberly Harnett.

If the property is held in Joint Tenancy, the taxsale process has severed this Joint Tenancy, and all Joint Tenants will have to sign the claim unless the claimant submits proof that he or she is entitled to the full amount of the claim, the claimant may only receive his or her respective portion of the claim.

I/We affirm under penalty of perjury that the foregoing is true and correct.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust, recorded in each county in California, as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgement of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount called for in the note secured hereby, or at the amount allowed by law at date of expenditure, whichever is greater and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in this same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee is such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them.)

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in

separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, insures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so required, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or Proceeding in which Trustor, Beneficiary or Trustee shall be party unless brought by Trustee.

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust, recorded in each county in California, as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all incumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any incumbrance, charge or lien which in the judgement of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount called for in the note secured hereby, or at the amount allowed by law at date of expenditure, whichever is greater and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them.)

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in

A.P.N.: 653-094-004-7

separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so required, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or Proceeding in which Trustor, Beneficiary or Trustee shall be party unless brought by Trustee.

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPERTY

Assessment No.: 693064004-6 Item: 603
Situs Address: 73251 Pine Valley Dr Thousand Palms 92276
Assessee: Piercy, Harriet J Tr
Date Sold: May 5, 2015
Date Deed to Purchaser Recorded: June 18, 2015
Final Date to Submit Claim: June 20, 2016

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
TREASURER-TAX COLLECTOR

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.

NOTE

Loan Number: 6029

MARCH 4, 2008 [Date] LA MIRADA [City] CALIFORNIA [State]

SUNSET VIEW CIRCLE, MURRIETA, CALIFORNIA 92562 [Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $ 75,000.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is MELVIN M. HOFFMAN

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 12.000 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on MAY 1, 2008. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on APRIL 1, 2011, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 2400 W MAGNOLIA BLVD., BURBANK, CALIFORNIA 91506

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. $ 750.00

4. BORROWER'S RIGHT TO PREPAY ** See attached Prepayment Note Addendum.

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit;

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 10 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 10.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Borrower(s): FAY A. WHITAKER

THIS PREPAYMENT ADDENDUM TO NOTE (the "Addendum") is made this 4th day of MARCH, 2008, and is incorporated into and shall be deemed to amend and supplement that certain promissory note (the "Note") made by the undersigned ("Borrower") in favor of MELVIN M. HOFFMAN

("Lender") and dated the same date as this Addendum. Repayment of the Note is secured by a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") given by Borrower in favor of Lender and dated the same date as this Addendum. Section 4 of the Note is amended to read in its entirety as follows:

4 . BORROWER'S RIGHT TO PREPAY; PREPAYMENT CHARGE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under the Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes.

If within SIX (6) months from the date of execution of the Security Instrument, I make a full or partial Prepayment, I will pay a Prepayment charge in an amount equal to six (6) months advanced interest on the principal amount of the loan that is prepaid.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA,

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. **Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. Borrower shall not surrender the leasehold estate and interests herein conveyed or terminate or cancel the ground lease. Borrower shall not, without the express written consent of Lender, alter or amend the ground lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender.

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter

the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all

Attachment: A. EP 203-650 Claim_Hoffman (2516 : EP 203-650)

expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

The undersigned Borrower requests that a copy of any Notice of Default and any Notice of Sale under this Security Instrument be mailed to the Borrower at the address set forth above. A copy of any Notice of Default and any Notice of Sale will be sent only to the address contained in this recorded request. If the Borrower's address changes, a new request must be recorded.

In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the June 1, 2015 public auction sale. The deed conveying title to the purchasers at the auction was recorded June 23, 2015. C.E.O. RECOMMENDATION: APPROVE

BACKGROUND:

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any additional addresses.
- Used Accurint (people finder) to notify any new addresses that may be listed for our last assessees.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on June 23, 2015.

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from BH Financial Services, LLC based on an Abstract of Judgment recorded January 20, 2010 as Instrument No. 2010-0022489.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that BH Financial Services, LLC be awarded excess proceeds in the amount of $414.63. Since there are no other claimants for Elizabeth F. Formeloza's portion

of the excess proceeds, the unclaimed excess proceeds in the amount of $414.63 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Residents and Businesses

Excess proceeds are being released to a lien holder and transferred to the county general fund.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3336.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
