

SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FROM: 1st District Supervisor Bob Buster

SUBMITTAL DATE:
February 22, 2007

SUBJECT: Signal at Trilogy Parkway/Lodge Entrance

RECOMMENDED MOTION: Direct the Transportation Department to begin work on a traffic signal at Trilogy Parkway/Lodge Entrance at Trilogy.

BACKGROUND: The residents of the Trilogy Community have expressed a need to install a traffic signal at the intersection of Trilogy Parkway and the Lodge Entrance. This location has been reviewed by our Transportation Department, which is in agreement with their request.

I am requesting that the Transportation Department start the design work on the signal installation. Funding will come from funds deposited by Shea Homes (the Developer of Trilogy) for a future signal at Trilogy Parkway and Larkspur Driveway (which is a lesser priority), and from my office for any additional funding needed.

Departmental Concurrence

JCP:dlp
