SUBJECT: Resolution 2011-4, Amendment to resolution 2010-1 revising Use Fees for the Riverside County Regional Park & Open-Space District effective March 1, 2011

BACKGROUND:

On May 25, 2010, by Minute Order 13.1, your honorable Board approved Resolution 2010-1, establishing Use Fees for the District effective July 1, 2010. The proposed amendment to Resolution 2010-1 is to establish fees for the following reasons:

1. To amend the fees for the Jurupa Aquatic Center. An Aquatic Business Plan was created to develop a defined fee structure and related services to be offered. This information was not available during the previous Board action; and
2. To establish a new fee for the Rancho Jurupa Park cabins. These cabins were constructed as part of new park improvements and will be a significant upgrade. The new fees will cover the maintenance costs associated with this new amenity.

Fees revised and established now will allow the District to recover expenditures in the current fiscal year rather than waiting until the cyclical fee update effective July 1st of each year.

The changes incorporated into Resolution 2011-4 have been reviewed and approved by the District Advisory Commission at its meeting on January 6, 2011. It is requested that your Honorable Board approve said changes and adopt Resolution 2011-4, amending Resolution 2010-1 revising Use Fees for the District, effective March 1, 2011.
