16.1

1:30 p.m. being the time set for Public Hearing on the 2012-2013 One Year Action Plan of the County of Riverside's 2009-2014 Five-Year Consolidated Plan for the HUD-funded Community Planning and Development Programs, the Chairman called the matter for hearing.

John Thurman, Development Manager and Mary ViaFora, Senior Program Manager, presented the matter.

Several speakers addressed the Board and the list is attached herein.

The Economic Development Agency will present the final One Year Action Plan to the Board for adoption on or about Tuesday, May 1, 2012 at 9:00 a.m.

SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA 938

FROM: Economic Development Agency

SUBMITTAL DATE:
March 1, 2012

SUBJECT: Public Hearing on the 2012-2013 One-Year Action Plan of the County of Riverside's 2009-2014 Five-Year Consolidated Plan for the HUD-funded Community Planning and Development Programs.

RECOMMENDED MOTION: That the Board of Supervisors conduct a public hearing to obtain the views of residents, service providers, and other organizations regarding housing, community, and economic development needs of the county as part of the 2012-2013 One-Year Action Plan of the 2009-2014 Five-Year Consolidated Plan

BACKGROUND: To comply with the Federal requirements pertaining to the preparation of the 2012-2013 One-Year Action Plan, a public comment period was opened starting February 10, 2012, and ended March 13, 2012. This public hearing provides an opportunity for citizens to comment on the One-Year Action Plan as well as the needs of their community. EDA has complied with HUD's Public Noticing requirements for this public hearing.

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to 24 CFR 91.105(e), that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Solutions Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, homelessness, rehabilitation, interim assistance, and others. Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Requests for general management and administrative activities, include oversight of the three consolidated programs (HOME, CDBG, ESG), totaled $1,512,628.

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September, 2011, with the publishing of the Notification of Funding Availability (NOFA) for the CDBG Program and ESG program. The County initiated the

Citizen Participation Process in October, 2011, with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities as well as the participating cities, to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan encompasses the unincorporated areas of the County as well as the following participating Cities: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, and San Jacinto. The City of Lake Elsinore is also included as a Joint Metro City/Urban County participant.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,
Rachel A. Mason, M.S., M.A.

Riverside, CA 92502

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez
Program & Development Director
California Family Life Center

Care A Van
Transportation with a Heart...
749 N. State St., Hemet CA 92543 (951) 791-3572

February 22, 2012

Melissa Valdivia, Program Manager
Riverside County Economic Development Agency
P.O. Box 1180
Riverside, CA 92502

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

(951) 654-1505 District Office

March 6, 2012

Honorable Board of Supervisors
County of Riverside
4080 Lemon St. 5th Floor
Riverside, CA 92501

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District

COUNTY OF RIVERSIDE
EDA
ECONOMIC DEVELOPMENT AGENCY

MEMORANDUM

RIVERSIDE COUNTY ECONOMIC DEVELOPMENT AGENCY

Robert Field
Assistant County Executive Officer/EDA

TO: Supervisor Marion Ashley
Fifth District

FROM: John Thurman, CDBG Program Administrator
Economic Development Agency, CSD Division

DATE: March 8, 2012

SUBJECT: Proposed 2012-2013 CDBG Activities

Attached please find the project descriptions and funding requests of the proposed Community Development Block Grant (CDBG) activities requesting funds from your 5th District Supervisorial 2012-2013 CDBG allocation.

EDA has conducted a review of each of these proposals and has determined that they are eligible activities meeting one of the three CDBG National Objectives. Additionally, each description includes information such as funds requested and proposed use.

The Board is scheduled to conduct a public hearing on the Proposed 2012-2013 One Year Action Plan on March 13, 2012, at 1:30 PM.

Please note: the County's FY 2012-2013 CDBG allocation was reduced more than 19% from last year.

Should you have any questions or require additional information, please contact my office at #56693 or via e-mail at jthurman@rivcoeda.org

.

PREPARED BY:
COMMUNITY SERVICES DIVISION

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to *24 CFR 91.105(e),* that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Shelter Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the

CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs ($1,512,628).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September 2011 with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October 2011 with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identity and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan will cover the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Cathedral City, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Temecula.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

John Thurman,
EDA Development Manager - CDBG/ ESG Programs

EMERGENCY SHELTER GRANT

P ESG 01

Project: Martha's Village and Kitchen
Sponsor: Martha's Village and Kitchen, Inc.
Address: 3350 E. Street, San Diego, CA 92102

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez

Riverside, CA 92502

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

March 6, 2012

Honorable Board of Supervisors
County of Riverside
4080 Lemon St. 5th Floor
Riverside, CA 92501

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District

ECONOMIC DEVELOPMENT AGENCY

MEMORANDUM

RIVERSIDE COUNTY ECONOMIC DEVELOPMENT AGENCY

Robert Field
Assistant County Executive Officer/EDA

TO: Supervisor John Benoit
Fourth District

FROM: John Thurman, CDBG Program Administrator
Economic Development Agency, CSD Division

DATE: March 8, 2012

SUBJECT: Proposed 2012-2013 CDBG Activities

Attached please find the project descriptions and funding requests of the proposed Community Development Block Grant (CDBG) activities requesting funds from your 4th District Supervisorial 2012-2013 CDBG allocation.

EDA has conducted a review of each of these proposals and has determined that they are eligible activities meeting one of the three CDBG National Objectives. Additionally, each description includes information such as funds requested and proposed use.

The Board is scheduled to conduct a public hearing on the Proposed 2012-2013 One Year Action Plan on March 13, 2012, at 1:30 PM.

Please note: the County's FY 2012-2013 CDBG allocation was reduced more than 19% from last year.

Should you have any questions or require additional information, please contact my office at #56693 or via e-mail at jthurman@rivcoeda.org

PREPARED BY:
COMMUNITY SERVICES DIVISION

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to *24 CFR 91.105(e),* that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Shelter Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the

CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs ($1,512,628).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September 2011 with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October 2011 with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identity and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan will cover the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Cathedral City, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Temecula.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

John Thurman,
EDA Development Manager - CDBG/ ESG Programs

EMERGENCY SHELTER GRANT

P ESG 01

Attn: Melissa Valdivia

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

Randy Taylor

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez
Program & Development Director

Riverside, CA 92502

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

Riverside, CA 92501

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to *24 CFR 91.105(e),* that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Shelter Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the

CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs ($1,512,628).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September 2011 with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October 2011 with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identity and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan will cover the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Cathedral City, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Temecula.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,
Rachel A. Mason, M.S., M.A.

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

VALLEY-WIDE RECREATION & PARK DISTRICT
P.O. Box 907 • 901 W. Esplanade Avenue
San Jacinto, CA 92581
(951) 654-1505 - District Office

March 6, 2012

Honorable Board of Supervisors
County of Riverside
4080 Lemon St. 5th Floor
Riverside, CA 92501

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District

COUNTY OF RIVERSIDE
EDA
ECONOMIC DEVELOPMENT AGENCY

MEMORANDUM

RIVERSIDE COUNTY ECONOMIC DEVELOPMENT AGENCY

Robert Field
Assistant County Executive Officer/EDA

TO: Supervisor John Tavaglione
Second District

FROM: John Thurman, CDBG Program Administrator
Economic Development Agency, CSD Division

DATE: March 8, 2012

SUBJECT: Proposed 2012-2013 CDBG Activities

Attached please find the project descriptions and funding requests of the proposed Community Development Block Grant (CDBG) activities requesting funds from your 2nd District Supervisorial 2012-2013 CDBG allocation.

EDA has conducted a review of each of these proposals and has determined that they are eligible activities meeting one of the three CDBG National Objectives. Additionally, each description includes information such as funds requested and proposed use.

The Board is scheduled to conduct a public hearing on the Proposed 2012-2013 One Year Action Plan on March 13, 2012, at 1:30 PM.

Please note: the County's FY 2012-2013 CDBG allocation was reduced more than 19% from last year.

Should you have any questions or require additional information, please contact my office at #56693 or via e-mail at jthurman@rivcoeda.org

PREPARED BY:
COMMUNITY SERVICES DIVISION

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to *24 CFR 91.105(e),* that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Shelter Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the

CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs ($1,512,628).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September 2011 with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October 2011 with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identity and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan will cover the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Cathedral City, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Temecula.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez

Riverside, CA 92502

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District

PREPARED BY:
COMMUNITY SERVICES DIVISION

PUBLIC NOTICE

RIVERSIDE COUNTY
COMMUNITY PLANNING AND DEVELOPMENT PROGRAMS (CDBG, HOME, ESG)

PROPOSED 2012-2013 ONE YEAR ACTION PLAN OF THE 2009-2014 CONSOLIDATED PLAN

The Riverside County Economic Development Agency hereby notifies concerned members of the public, pursuant to *24 CFR 91.105(e),* that the County of Riverside Board of Supervisors will hold a public hearing on the Proposed 2012-2013 One Year Action Plan of the 2009-2014 Consolidated Plan, on March 13, 2012, at 1:30 p.m., in the Board of Supervisors' Chambers, County Administrative Center, 4080 Lemon Street, 1st floor, Riverside, CA. The public may present oral or written comments during the public hearing.

Furthermore, the public may review the Proposed 2012-2013 One Year Action Plan beginning February 10, 2012. Comments on the Proposed Action Plan may be submitted to the addresses below until 9:00 AM on March 13, 2012.

The Proposed One Year Action Plan can be viewed by the public at the following location:

Riverside County Economic Development Agency-Community Services Division
3403 10th Street Suite 500, Riverside, CA 92501
(951) 955-8916

Riverside County Economic Development Agency-Indio
44-199 Monroe Street Suite B, Indio, CA 92201
(760) 863-2650

The Proposed One Year Action Plan can also be viewed on-line at: www.rivcoeda.org

It is anticipated that the Board of Supervisors will approve and adopt the final 2012-2013 One Year Action Plan at its regular meeting of May 1, 2012. The 2012-2013 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development on or about May 15, 2012.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The One Year Action Plan is a portion of the Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the activities to be undertaken to meet the priority needs identified in the Consolidated Plan. At the completion of the Citizen Participation process and after comments have been received, the County will prepare and submit the final 2012-2013 One Year Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development. This is anticipated to occur on May 15, 2012.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2012-13 HUD appropriations are: $6,476,285 for the Community Development Block Grant (CDBG) program; $1,651,212 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and $696,668 for the Emergency Shelter Grant (ESG) program. The County expects to utilize eighty-five percent (85%) of the

CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 131 proposals for the 2011-12 CDBG funding totaling $6,740,219. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled ($861,218). HOME program proposals include: HOME New Construction ($619,204); HOME Direct Ownership ($619,204); HOME/CHDO Set-Aside ($247,683); and HOME administration ($165,121). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs ($1,512,628).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2012-2013 CPD Funding cycle in September 2011 with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October 2011 with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2012-2013 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identity and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2009-2014 Consolidated Plan will cover the unincorporated areas of the County and the following Cooperating Cities: Banning, Beaumont, Blythe, Cathedral City, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Temecula.

IMPLEMENTATION. The goals for the 2012-2013 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 955-8916, (800) 984-1000, or eawilson@rivcoeda.org.

Attn: Melissa Valdivia

Subject: Determination of Eligible CDGB Activity
2012-2013 Community Development Block Program
PROPOSAL NAME: Blythe Emergency Food Pantry

County of Riverside Economic Development Agency

Blythe Emergency Food Pantry (B.E.F.P.) has two programs. One is Emergency (supplementary) food and the other is to distribute USDA commodities to the homeless and very low income persons of eastern Riverside County.

During 2011 we provided supplementary food to some 19,083 people.

During that same period we provided USDA Commodities to some 15,490 people.

During 2011 we gave each family 6 meals per. family member. Because of funds we have had to cut this to 4 meals for 2012.

B.E.F/P. serves eastern Riverside County. There are some 17 small communities plus the City of Blythe. We are the only service of this kind in over 100 miles in any direction.

B.E.F.P. is open 5 days a week and 24 hrs. 7 days a week by referral.

Respectfully submitted,

Loyd Hollingsworth
President of Board of Directors

RE: 2012 - 2013 Community Development Block Grant Proposal No.: 11
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 13, 2012. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: **OPERATION SCHOOL BELL**

Since 1976, the Assistance League of Hemacinto has and continues to provide a unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, nurses, teachers and principals from Head Start and elementary schools, are provided with new school clothing, school supplies, a reading book, and hygiene items. Cost to purchase these items is approximately $120 per child.

During the present school year, 2011 -2012, over 1,200 children are anticipated to take part in the Operation School Bell program. During the 2012 – 2013 school year the program expects that number to grow to 1300+. The $30,000 the Assistance League seeks from this grant will be applied toward assisting 250 of the disadvantaged children referred to our organization. The Assistance League is an all-volunteer organization and owns its own building. Therefore, no grant funding will be used to pay salaries or to pay rent. All grant monies received will go solely for the purpose of assisting the children referred the program.

Information, as of the end of February 2011 shows that we have clothed over 21,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

OPERATION SCHOOL BELL IS OUR MAIN PUBLIC SERVICE ACTIVITY. We service twenty-three elementary, as well as two Head Start schools from the San Jacinto

180 N. Girard Street
Hemet, California 92544
Tel. (951) 652-8307
Fax (951) 765-9442

assistance league®
Hemacinto

and Hemet School Districts in the communities of Hemet, San Jacinto, Winchester, and Idyllwild.. The program also helps children in crisis, due to abandonment or disasters, such as house fires. Each child receives three (3) new sets of clothing including jeans, shirts, dresses, pants, and/or tops, one (1) hooded sweat shirt, six (6) pairs socks and undergarments, and one (1) pair of shoes. In addition, a personal hygiene kit containing, soap, toothbrush, toothpaste, shampoo and comb are provided. Each child also receives one (1) reading book, and one (1) backpack filled with school supplies.

Our goals are to enhance the self-esteem of the students and thereby raise their ability to learn in the academic schoolroom. If the child is adequately dressed and has sufficient school supplies, his chances of staying in school are much greater. Their chances of being a success, as an adult, most likely develop at this point in his schooling. Our objectives are to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies rather than worrying about whether they have adequate clothing or school supplies. We believe, our objectives and goals provide this assistance, as well as help establish positive social values for these disadvantaged children.

We appreciate the support the County of Riverside has provided to our project over the years. In addition, the children helped by this program quite often share their thoughts as is reflected in the following quote from one of their thank-you notes, "Dear Operation School Bell, Thank you very, very, much for all the clothes you gave us. We are very grateful for you." The funds provided by Riverside County make a difference in the lives of these children and the thank-you from them is for you, as well the program. We hope that you once again consider awarding a grant so that OPERATION SCHOOL BELL can continue to meet the needs of the disadvantaged children who attend schools in the San Jacinto and Hemet School districts.

Sincerely,

Nancy Urtado

TEMECULA-MURRIETA COMMUNITY PANTRY
28922 PUJOL STREET
TEMECULA, CA. 92590

TEMECULA COMMUNITY PANTRY ACTIVITIES

The Pantry serves extra-low and low income families in the Temecula/Murrieta area.

In 2011 we provided food boxes to 650 families consisting of 1848 individuals. These boxes contain enough food for the family for 7/8 days. Many of these families are referrals from DPSS. We provided Holiday food boxes in November to 234 families and in December, 320 families. We also gave out toys to 242 children on December.

Every Monday, Wednesday and Friday we distribute fresh produce, deli and bakery items. In the year 2011 we served 7,096 families with these items. Many of these families live within walking distance of the pantry and come once or twice a week.

On these same days we provide breakfast and showers to the homeless. They can come to the pantry and wash their clothes once a week. We average 15 homeless on each of the days we are open and have 70 registered with us at this time. We also provide them with personal items and food boxes.

15% of our clients are seniors and 18% are homeless. The rest are all extra-low and low-income.

If we receive the CDBG grant we would use it to help cover our overhead and free up cash to purchase more food. At this time we are distributing dairy products every other Friday. We would like to increase this to once a week. We were recently donated a commercial refrigerator and a walk-in freezer so we could now purchase items needing refrigeration.

We have experience a large increase in clients from 2010 to 2011 and expect this to continue into 2012. Our neighborhood has over 400 low-income housing units and 52 senior units. They depend on us for produce and breads. We could greatly increase our services to these families with additional funding.

Thank you for considering us for the CDBG funding for 2012/2013.

Randy Taylor

CDBG Grant Proposals
#35 Patient Special Needs
#94 Youth Bereavement

Dear Supervisors,

Thank you for the opportunity to share our mission and the work we do for the terminally ill and the bereaved.

Proposal #35 – Patient Special Needs
This program covers unreimbursed costs for hospice patients and we are often the only payer source for charity care. Many hospice care agencies are either unable or unwilling to accept charity patients, and without this program those patients are denied hospice care at home or stay in a hospital until their death. Hospice care typically costs $5,000 per month for care at home. While Medicare pays for most seniors (65+), this program often covers for our younger patients 30 to 55 year of age. This program goes beyond the support of medical care; in that, we will cover the cost of needed caregivers to ensure that a single patient need not move from their home just because they don't have family to help provide care. It also covers many quality of life issues, like simple home repairs of ramps, replacement air conditioners, heaters and other adjustments to make the patient comfortable at the end of life.

Proposal #94 – Youth Bereavement
The Youth Bereavement program is for any child between the ages of 7 and 18 who has suffered the loss of a loved one. This program is not limited to hospice care only. Our Bereavement Coordinators and troop of trained volunteers collaborate with local schools where we hold children's grief support groups at the child's school site. On average 1 out of 10 children will suffer the loss of a loved one before the age of 18. This is not just about losing one's grandparent; such that, about half of the children we serve have lost parents or siblings. This program provides 8-week intense mentoring and counseling sessions for youth who have lost a loved one. Unlike any other program offered to youth, the youth bereavement program provides grief counseling and coping techniques at a critical time in a youth's development directing emotions into positive, stable and healthy reactions and decisions. This counseling helps youth become capable and productive members of the community.

Thank you,
Rachel A. Mason, M.S., M.A.

Re: CDBG Proposal No# 36 – California Family Life Center / Kin Care

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Kin Care proposal. California Family Life Center's Kin Care Program meets the diverse needs of relative caregivers in order to allow children to remain within their extended families and in familiar surroundings when natural parents can no longer care for their children. For most relatives, suddenly becoming a relative caregiver can be an overwhelming responsibility.

Our case management system develops and designs services specifically to meet the needs of the relative caregivers and their relative children in Riverside County. Each case is handled with sensitivity and on an individual basis. We provide kinship families with needed support services to increase placement stability. Our direct client services include assessment and intake, referrals to appropriate resources, counseling, ongoing contact, guardianship assistance, and school advocacy. We can also provide resources that keep families safe and healthy such as food, household items, clothing, and other basic needs.

The CDBG funds requested for FY 2012-2013 will help provide much needed support services including individual and family counseling, parenting education, support groups, tutoring, and permanency planning.

We appreciate the Board of Supervisor's consideration of CDBG funding for Kin Care in the coming year and are thankful for the continued support of all of our programs.

Sincerely,

Mary Jo Ramirez

Riverside, CA 92502

Re: CDBG Proposal No# 37 – Care-A-Van Transit

Dear Ms. Valdivia:

Thank you for the opportunity to provide a written summary of our Care-A-Van proposal. Care-A-Van provides access for low-income, seniors, and the developmentally and physically disabled populations to include door-to-door service to provide the necessary safe, and efficient transportation allowing for access to critically needed resources and services that enhance the quality of life. The most common itineraries requested are: medical appointments, social service agencies, education and job training programs, employment services and shopping assistance. Transportation is a crucial component in providing access to jobs and improving regional accessibility. The HOPE Bus- (Hemet Opportunity Project Express) provides transportation for qualified low-income consumers to get access to jobs, job training and connection for occupational skills training. Transportation can be a major barrier to employment for low-income individuals and the HOPE Bus continues to overcome transportation obstacles to help people get or keep jobs. Care-A-Van coordinates the Vet Express with Riverside County Veterans Services to assure our Veteran's who have served our Country honorably have access to needed medical treatment at the Loma Linda Veterans Hospital. The Veteran's also use Care-A-Van for other transportation services when needed.

Lack of transportation has been repeatedly identified as a major issue by different need assessments conducted throughout Riverside County. The individuals most affected by lack of transportation are seniors, developmentally and physically disabled and low-income populations. With the CDBG funds Care-A-Van will address transportation barriers by offering highly individualized passenger service and assistance by going to their front door and delivering them directly to their destination, and then back to their front door. This highly individualized service also promotes passenger independence and discourages isolation. Thank you for your consideration of this project.

Sincerely,

Ron Cole
Program Coordinator

RE: Valley-Wide Recreation and Park District Youth Scholarship Program

Dear Board of Supervisors,

The Valley-Wide Recreation and Park District Youth Scholarship Program is designed to benefit children within the 800 square mile district boundaries including the Hemet and San Jacinto Valley, Winchester, Menifee, French Valley, Aguanga, Homeland, Romoland, and unincorporated areas of Riverside County, by providing them with the opportunity to participate in any of the recreational sport leagues offered by the district for minimal or no cost.

Over the last decade, requests for scholarships have increased 300% to what is now an average of 450 scholarships provided each year. Given the current economic situation we expect that number to grow exponentially.

In the spring of 2011 Valley-Wide Recreation and Park District opened the Marion V. Ashley Community and Childcare Center. With the addition of the new community center and taking into consideration that 80% of the students enrolled in the Romoland school districts grades K-8th receive free and reduced lunches, Valley-Wide Recreation has experienced an increase in the number of scholarship applications received. The District expects this trend to continue.

At this time we are requesting $10,000 for the Youth Scholarship Program. This amount will allow us to provide at least 227 scholarships to families who cannot afford to pay. We strongly believe that every child deserves to participate in wholesome recreation and sports programs regardless of their family's ability to pay.

Your continued support of this worthwhile program is greatly appreciated. Should you have any questions, please feel free to contact me (951) 654-1505.

Sincerely,

Samuel W. Goepp, General Manager
Valley-Wide Recreation and Park District
