BACKGROUND:

The Southern California Energy Summit unites regional government and business communities to foster clean energy opportunities. The San Gorgonio Hispanic Chamber will be holding their annual Holiday event and toy giveaway to disadvantaged families in the San Gorgonio Pass. The Riverside Arts Council is holding the Mayor's Celebration for Arts and Innovation to benefit arts-related services, information, education and outreach. The Riverside Land Conservancy will conduct community outreach and continued stakeholder meetings to assist with planning of restoration and sustainability of the El Casco Lakes property in San Timoteo Canyon. These funds are used to improve the quality of life throughout the 5th district and I urge the Board to approve these uses of the Community Improvement Designation funds.
